(3) Upon the basis of the application, evidence submitted, and results of said investigation, the Administrator shall make a finding on, (1) the need for a transfer or disposal franchise if the application is for these kinds of franchises, (2) the qualifications of the applicant, and (3) whether additional areas should be included or additional service or equipment should be provided. On the basis of said findings, the Administrator shall recommend to the Board whether the application should be granted, denied, or modified.

(4) Unless the time is extended by the Board for a good cause, the Administrator shall make a recommendation to the Board within 60 days after the application and any required supplemental information has been filed.

(7) The Hearings Officer shall, upon the basis of the findings, grant, deny, or modify, or attach appropriate conditions, and shall transmit the results of such action to the applicant.

(8) The decision of the Hearings Officer under Subsection (7) of this section becomes final upon review and ratification by the Board, unless the decision of the Hearings Officer is appealed to the Board or if the Board calls it up for review under Section 70.0708 of this ordinance.

70.0707 EXCLUSIVE OR JOINT SERVICE UNDER A FRANCHISE.

(1) If upon recommendation of the Administrator the Board finds that an applicant for a collection franchise cannot provide service to a single customer, a group or type of customers, or for a particular type or unusually large quantity of solid waste, it may issue a franchise for joint service with another person who can provide such service. Where the Board finds that the applicant is able to provide adequate service of all types within the defined service area, it shall issue an exclusive franchise for that area to the applicant.

(2) If a franchisee is unable to provide service for particular types or unusually large quantities of solid wastes:

- (a) The Administrator may permit the franchisee to subcontract such service to another person if it is found that the quality and extent of service would not be jeopardized. The Administrator may require the filing of such information as deemed necessary. The Administrator may request a recommendation from the Committee on the subcontract.
- (b) The Board may issue a temporary or permanent franchise to another person for the limited purpose of providing service to the customer or customers having such solid wastes.

(3) Upon recommendation of the Administrator and a finding by the Board that the need for service justifies action before a complete investigation and final determination can be made, the Board may order the Administrator to issue a temporary certificate, valid for a stated period not to exceed six months, entitling a person to serve a defined service area or customers.

70.0708 APPEAL FROM DETERMINATION OF BOARD ON FRANCHISE.

(1) Any interested party, applicant for a franchise, other affected franchise holders or franchise applicants may appeal an adverse decision of the Hearings Officer by filing written notice of appeal with the Board within the time prescribed by Section 70.0706(8) of this Ordinance. Within the same period of time, the Board on its own motion may call up a decision of the Hearings Officer for review.

(2) Unless an emergency finding has been entered, the filing of notice of appeal shall suspend operation of the decision until a final determination by the Board on the appeal.

(3) The Board shall provide an adequate opportunity for the appellant and affected public agencies or governmental jurisdictions to submit written briefs and make oral presentations. However, the Board shall not receive new evidence or hear new testimony, unless a majority of members so move.

(4) Upon the basis of submissions entered pursuant to this section, the Board may affirm, modify, or rescind the Hearings Officer's decision, or may remand the matter to the Hearings Officer for the taking of additional testimony and receipt of additional evidence, with appropriate reconsideration of the findings and decision. In rate determinations, the decision of the Board shall be final.

(5) If the Board makes a final determination rejecting all or part of the application for franchise, the applicant may not submit another application containing all or a portion of the same service area or same disposal site for a period of six months, unless this provision is waived by the Board upon a finding that the public interest requires reconsideration within a shorter period of time.

70.0709 RESPONSIBILITIES OF FRANCHISEES.

(1) Except as provided in Subsection (3) of this section, no franchisee shall voluntarily discontinue service to all, or a substantial portion, of their service area or at their disposal site until they have:

- (c) Given 90 days written notice to the Administrator.
- (d) Obtained approval of the Board.

(2) Where a franchisee is not serving a service area, or portion thereof, at the time of granting the franchise, the Board may order that service be provided at such time as it finds the service to be necessary and reasonable.

(3) Subsection (1) of this section shall not apply to:

- (a) Change, restriction, or termination of service when required by any public agency, public body, or court having jurisdiction.
- (b) Refusal to provide service to customers refusing to pay for service in accordance with rates established pursuant to this Ordinance. Where service has been refused to a customer for refusal to pay for service, the franchisee may require a reasonable deposit to guarantee payment for future services before reinstating such service.
- (c) Transfer of franchises pursuant to Section 70.0716.
- (d) Refusal of service to a customer upon reasonable ground and with the approval of the Administrator upon a finding that service at the particular location would jeopardize the safety of the driver of a collection vehicle or the motoring public, that the customer has not provided reasonable access to the pickup point for the containers storing solid wastes without hazard or risk to the person providing service, or that weather conditions prevent service to the particular customer.
- (e) Subcontracts under collection franchises pursuant to Section 70.0707 or to a subcontract to operate a disposal site where the Administrator has approved the subcontract after finding that the quality or extent of service would not be jeopardized. In making a determination, the Administrator may request a recommendation from the Committee, information deemed necessary to insure compliance, and written approval of the owner of the land on which the site is located.

(4) A franchisee may be required to provide recycling services. If the Board determines

that a recycling service is technically and economically feasible, a franchisee shall provide such service directly or by subcontract and may include any net cost in rates charged to service customers.

(5) The privileges granted to a franchisee or permittee are upon the express condition that said franchisee or permittee shall be liable for all damages or injuries to persons or property caused by the negligence or mismanagement of the franchisee or permittee or any of their employees while engaged in the business under the terms of the franchise or permit. Should Polk County, or any of its officers, agents, or employees in the scope of their employment, be sued for damages caused in whole or in part by the operations of a franchisee or permittee, under the terms of the franchise or permit, the franchisee or permittee shall be notified in writing of such suit and it thereupon shall be their duty to defend or settle the suit; and should judgment go against Polk County, its officers, agents, or employees shall recover the amount thereof with costs and attorney fees from the franchisee or permittee. The record of judgment against Polk County, or any of its officers, agents, or employees in any such case, shall be conclusive evidence to entitle Polk County, its officers, agents, or employees to recover against the franchisee or permittee.

70.0710 ENFORCEMENT OF FRANCHISE PROVISIONS.

In addition to the remedy provided in Section 70.0712, and penalties provided elsewhere in this ordinance:

(1) The Administrator shall, upon reasonable cause, make an investigation to determine if there is sufficient reason and cause to suspend, modify, revoke, or refuse to renew a franchise as provided in this subsection. If in the judgment of the Administrator, there is sufficient evidence to constitute a violation of this Ordinance, ORS Chapter 459, or the rules or regulations promulgated thereunder, the Administrator shall notify the franchisee in writing of the alleged violation and what steps must be taken to cure the violation and follow the requirements set forth in the notice. The Administrator shall send a copy of the notice to the Board. Upon finding that a violation exists and that the franchisee is unable to or refuses to cure the violation, the Administrator shall make a recommendation to the Board that the franchise be suspended, modified, or revoked or that it not be renewed together with any conditions the Administrator deems appropriate.

(2) In the event that the landowner or franchisee under a disposal franchise does not comply with agreements executed pursuant to Section 70.0705 within a reasonable time after written notice to comply, the Board may institute proceedings under Subsection (3) of this section to enforce compliance. "Reasonable time" within this subsection shall be determined by the Board upon the basis of the health, safety, and welfare of the people of Polk County and of the area. In determining what is a "reasonable time," the Board shall give due consideration to, but shall not be limited to the following:

- (c) Hazards to health or safety.
- (d) Creation of a condition of unsightliness.

The Board may shorten this notice to a period of not less than 24 hours notice made to the landowner or franchisee if the Board finds that there is an immediate and serious danger to the public through creation of a health hazard or a public or private nuisance. After required notice, the Board shall hold a public hearing at which all interested persons shall have the right to be heard. After the Public Hearing and on the basis thereof, the Board shall have the power to order appropriate County agencies to correct the deficiencies in the establishment, maintenance, or operation of the site, or to make required rehabilitation or restoration.

(4) The cost incurred by the County in carrying out Subsection (3) of this section shall be paid by the landowner or franchisee or both. If not paid, the Board may order appropriate action to be taken to impose a lien upon the subject premises.

70.0711 SUSPENSION, MODIFICATION, REVOCATION OR REFUSAL TO RENEW A FRANCHISE.

(2) In lieu of immediate suspension, modification, revocation, or refusal to renew a franchise, the Board may order compliance and make the suspension, modification, revocation, or refusal to renew a franchise contingent upon compliance with the order of the Board within the period of time stated therein.

(3) If the Board suspends, modifies, revokes, or refuses to renew the franchise, the action shall not become effective until 30 days after the date of the order, unless the Board finds that there is a serious and immediate danger to the public health or that a public nuisance would be created. The holder of a franchise may request a public hearing before the Board on the order by filing a written request for such hearing with the Board within 30 days after the date of the order. Upon filing of request for hearing, the Board shall set a time and place for a public hearing within

30 days of the request. The franchisee and other interested persons or affected public agencies or public bodies may submit oral or written evidence to the Board relevant to the Board's order. 70.0712 PREVENTING INTERRUPTION OF SERVICE.

(2) For Collection and Disposal Franchise Holders, the maximum rates in effect at the time this Ordinance takes effect and thereafter, shall be subject to review and change only one time in a calendar year beginning January 1 and ending December 31 the same year. However:

- (a) Upon application, the Administrator may, in writing, grant an interim or emergency rate for new, special, or different service. The Administrator shall submit a report of the decision to the Board for review. The effective date of the service and rate shall not precede Board review. The Administrator shall set the duration of said rate or continue it until the next overall rate adjustment.
- (b) In addition to an annual rate adjustment, a supplemental rate adjustment may be requested when the cost of service is increased by governmental regulations and compliance therewith; or when there is substantial increase in a single expense that was not anticipated at the time of the last rate adjustment; or when the total cost of service exceeds projected costs by 5 percent or more.

The preferential rate shall be deemed approved unless the Administrator, in writing, disapproves the preferential rate prior to implementation. If the Administrator disapproves the preferential rate, the franchise collector may appeal the decision to the Board of Commissioners within 10 days after the denial. The appeal must be filed with the Board of Commissioners with a duplicate being forwarded to the Administrator. The appeal shall state wherein the Administrator failed to conform to the provisions of this Ordinance and why the preferential collection rate should be granted. The Board shall review the action of the Administrator and may refer the matter back to the Administrator for further consideration and investigation if it is deemed advisable. The Board may similarly, after considering the appeal, affirm the action of the Administrator and deny the appeal. If the Board is of the opinion that additional facts warrant further action, the Board may set the matter for a public hearing and shall give notice of the time and place of such hearing to the franchised collector, the Administrator and Polk County Legal Counsel, as well as having notice of the public hearing published in a newspaper of public record located in the area in which the collector is franchised. Any hearing may be continued from time to time.

(5) Upon recommendation by the Administrator, the Board may:

- (a) Approve and establish rates filed by applicants if it finds that such rates are not demonstratively unreasonable and are not substantially higher than those charged generally in the County under similar service requirements and for the same or similar quality of service, or it may establish a different rate schedule.

Upon completion of such an investigation, the Administrator shall report the results of any public hearing, make findings, and submit a recommendation to the Board.

(8) The Administrator shall provide a Collection and Disposal Rate Application that shall incorporate the considerations set forth in this Ordinance for providing an adequate review of any rate application.
