Rescue Agreement

By signing below, the Animal Entity (ARE) acknowledges its obligation to comply with the provisions of ORS 609.415-420 including, but not limited to maintaining records, allowing inspections, and furnishing requested reports, information, and certifications. By my signature below, I certify that ARE complies and will continue to comply with all standards imposed under applicable law.

Registration does not allow use of the property in violation of applicable land use laws and regulations or building codes. Consult the applicable land use or building code authority for compliance with local land use or building code requirements.
