REASON(S) FOR EXTENSION REQUEST:

Please note: Submittal of this application does not guarantee that an extension will be granted. Although a single one-year extension can often be approved, extension of land use permits on resource lands is limited by Oregon Revised Statutes. Additional extension requests will be reviewed pursuant to land use regulations in effect on the date of the extension request. If the Planning Director determines that applicable land use regulations have changed in a manner that would likely preclude approval of the subject application under current regulations, the extension may be denied.
