

DIVISION-E

FLORICULTURE

SUPERINTENDENT

Dona Huffman

503-831-0597

**ENTER EXHIBITS WEDNESDAY AUGUST 10th 2016
12 NOON to 8:00PM**

RULES AND REGULATIONS ALL GENERAL RULES APPLY

1. Plants must be in your possession 30 days prior to exhibit
2. No inferior exhibit will receive a ribbon.
3. No artificial flowers are accepted.
4. A person who is exhibiting for the first time, or who has won fewer than ten ribbons in a class in the last three years shall be considered a novice in that class.
5. A person who has won ten or more ribbons in a class in the three previous years shall be considered an amateur in that class.
6. Professionals and non-professionals will be judged separately. Professionals include teachers, judges, instructors, advisors and owner/operators/demonstrators engaged in business related to the area of exhibit and anyone who sells their items for more than cost.

***When entering as a Professional, please add a
P after the lot number
(example 001-P)***

7. The following are NOT permitted in floral shows; natural birds' nests, shells, stuffed birds, butterflies, or insects, fish, birds, or animals. Sea fans, coral, sponges, bones, antlers, etc., are permissible; the designer must exercise good taste. Naturally shed feathers (from non-endangered species) may be used.

8. All exhibits must remain intact until 10:00am Sunday August 14th.

SOME FLOWER HINTS

1. All flowers should be named for extra credit. Be sure to include cultivars names.
2. Cut your flowers in late afternoon of the day before they are exhibited; place immediately in deep lukewarm water and keep out of the drafts in a dark place.
3. Select material in its prime and pest free; foliage should be clean and neither chewed nor torn.
4. Roses should have healthy stems and foliage with blossoms 1/2 to 2/3 open.
5. Gladioli should have 5 to 7 florets open, none removed, a long stiff straight stem and one leaf.
6. Dahlias should have 2 leaves, check underside. No buds, center should show only in single or collarettes
7. Water lilies; cut soon as fully open on the first day. Put a few drops of paraffin in the flower to keep it from closing. Flowers may be displayed either floating or on stems.
8. Herbs should be pre-bloom.
9. Pots and moveable containers must be clean and leakproof.
10. Containers for cut flowers will be furnished by the fair.
11. Exhibitors are asked to replace cut flowers as often as necessary for the duration of the Fair.
12. A collection by definition in the judge's book consists of 5 or more stems of different color AND variety.
13. Arrangements should not contain flags or any product advertisement. Use ribbons only if specified.
