12. Subcontracting: Unless subcontracting is authorized elsewhere in the Agreement, the Contractor shall not enter into any subcontracts for any of the work contemplated under this Agreement without obtaining prior written approval from the County, which approval shall be attached to the original Agreement. Approval by the County of a subcontract shall not result in any obligations of the County in addition to the agreed rates of payment and total consideration. Any subcontracts which the County may authorize shall contain all requirements of this Agreement, and the Contractor shall be responsible for the performance of the subcontractor. Contractor may subcontract medical investigator's duties so long as the subcontractor possesses medical qualifications equivalent to those of the Contractor.

13. Re-negotiation or Modification: Any alterations, variations, modifications to or waivers of provisions of this Agreement shall be valid only when they have been reduced to writing, duly signed, and approved by the Contractor and the County and attached to the original of this Agreement.
14. Excuses for Nonperformance: Neither party to this Agreement shall be held responsible for delay or failure in performance of the activities required herein when such delay or failure is due to causes beyond the control and without the fault or negligence of the party. Such causes may include, but are not restricted to, fire, flood, epidemic, strikes, acts of God or the public enemy, unusually severe weather, legal acts of public authorities, or delays or defaults caused by public carriers, which cannot reasonably be forecast or provided against. Either party may terminate the Agreement after reasonably determining that such delay or failure will prevent continued performance of the Agreement, and after giving written notice to the other party of the cause, its effect on Agreement performance and effective date of termination. If the Agreement is so terminated, the obligation of the County shall be limited to payment for services provided in accordance with the Agreement prior to the date of termination.
15. Remedies: If the Contractor fails to provide the services or perform any of the other requirements under the Contract, and such failure is not excused under the paragraph titled "Excuses for Nonperformance", the County, after giving the Contractor written notice of such failure, may withhold part or all of the Contractor's payment for the services until such failure is corrected. If the Contractor does not correct such failure within a reasonable time allowed by the County, the County may terminate the Agreement in accordance with the clause titled "Termination." However, this paragraph, and any actions taken or not taken under it, shall not affect the County's rights under the "Termination" clause.
16. Termination: This Agreement may be terminated by mutual consent of both parties or unilaterally by either party at any time upon thirty (30) days' notice to the other party in writing and delivered personally or by Certified Mail. The County may also unilaterally terminate this Agreement effective upon delivery of written notice to the Contractor, or at such later date as may be established by the County, under any of the following conditions:
- a. If funds, specifically authorized by Legislative acts, do not become available in amounts sufficient to allow for purchase of the stated quantity of services. When possible and when agreed upon by the parties, the Agreement may be modified in accordance with the paragraph entitled "Re-negotiation or Modification" to accommodate a reduction in funds.

- b. If Federal or State laws, regulations or guidelines are modified or changed in such a way that the services are no longer allowable or appropriate for purchase under this Agreement or no longer qualify for the funding proposed for payments authorized by this Agreement.
- c. If any license or certificate required by law or regulation to be held by the Contractor to provide the services required by this Agreement is for any reason denied, revoked, not renewed, or changed in such a way that the Contractor no longer meets requirements for such license or certificate.
- d. Termination under this clause shall be without prejudice to any obligations or liabilities of either party already reasonably incurred prior to such termination, except that the Contractor shall be solely responsible for its obligations or liabilities after the termination date, which obligations or liabilities result from the Contractor's failure to provide for termination of, or exercises the right to terminate, its commitments. No right of action or damages shall accrue to the benefit of the Contractor if the Agreement is terminated under this clause.
- e. The County, by written notice of default (including breach of contract) to the Contractor, may terminate this Agreement:
 - i. If the Contractor fails to provide the services called for by this Agreement within the time specified herein or any extension thereof granted by the County; or
 - ii. If the Contractor fails to perform any of the other requirements of this Agreement; or
 - iii. If the Contractor so fails to perform the work required in the Agreement that performance of this Agreement in accordance with its terms is endangered, and after receipt of written notice from the County specifying such failure, the Contractor fails to correct such failure within ten (10) days or such longer period as the County may authorize.
- f. If the Agreement is terminated under this clause, the County's obligations shall be limited to payment for services provided in accordance with the Agreement prior to the date of termination, less any damages suffered by the County. The rights and remedies of the County in this clause related to defaults (including breach of contract) by the Contractor shall not be exclusive and are in addition to any other rights and remedies provided to the County by law or under this Agreement.

17. Hold Harmless: Except for claims arising in whole from the negligence of County, its employees or its agents, Contractor agrees to indemnify and hold County harmless from and against all actions, suits, claims and demands arising out of Contractor's performance under this Contract and agrees to defend County in such actions, suits, claims and demands.
18. Waiver of Default: Waiver of any default shall not be deemed to be a waiver of any subsequent default. Waiver of breach of any provision of the Agreement shall not be deemed to be a waiver of any other or subsequent breach and shall not be construed to be a modification of the terms of the Agreement unless stated to be such in writing, signed by an authorized representative of the County, and attached to the original Agreement in accordance with the paragraph entitled "Re-negotiation or Modification".
19. Severability: The parties agree that if any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular term or provision held to be invalid.
20. Fees Prohibited: The Contractor will not impose or demand any fees from any person or agency for services provided and paid for under this Agreement, unless the fees have been approved in advance by the County in writing.
21. Non-Discrimination: The Contractor acknowledges that they are an equal opportunity employer and no person shall be denied services or discriminated against on the basis of race, color, creed, national origin or duration of residence, and there shall be no discrimination in the selection, compensation or the employment practices with respect to personnel coming under the auspices of the Contractor.
22. Assignment of Agreement: The Contractor shall not assign or transfer its interest in this Agreement without prior written approval of the County, which shall be attached to the original Agreement. Any such assignment, if approved, is subject to such conditions and provisions, as the County may deem necessary. No approval by the County of any assignment or transfer of interest shall be deemed to create any obligation of the county in addition to the agreed rates of payment and total Agreement consideration.
23. Funds Authorized and Available: The County certifies that at the time of signing this Agreement, sufficient funds are authorized and available, or are anticipated to be available, for expenditure to finance costs of this Agreement within the County's current appropriation or limitation.

24. Recovery of Overpayments: If billings under this Agreement, or under any Agreement between the Contractor and the County, result in payments to the Contractor for which the Contractor is not entitled under the terms of such Agreement, the County, after giving written notification to the Contractor, may withhold from payments due to the Contractor under this Agreement such amounts, over such periods of time, as are necessary to recover the amount of the overpayment.
25. Criminal History Records Checks: Contractor agrees to authorize a review of state and federal records by Polk County as a qualified entity, to determine the nature of any criminal activity the Contractor may have been involved in accordance with OAR 943-007-001 for purposes described in OAR 407-007-0400. No work will be assigned to Contractor until a Criminal History Check is completed and verified by the qualified entity. Contractor shall notify Polk County within five days of being arrested, charged, or convicted of any crime.
