

Mid-Willamette Valley COMPASSION in Motion

What is a Community Action Agency?

- **OUR HISTORY:** Community Action, 60 Years in the Making
- OUR MISSION & VISON
 - Empowering people to exit poverty by providing vital services and community leadership; All people are respected for their infinite worth and are supported to envision and reach a positive future.
- SERVICE Profile: Marion, Polk and Beyond

• OUR APPROACH

- Programs designed to promote client self-sufficiency; and harm reduction.
- *Mission driven,* not *program driven*; *client centered,* not *agency-centric.*

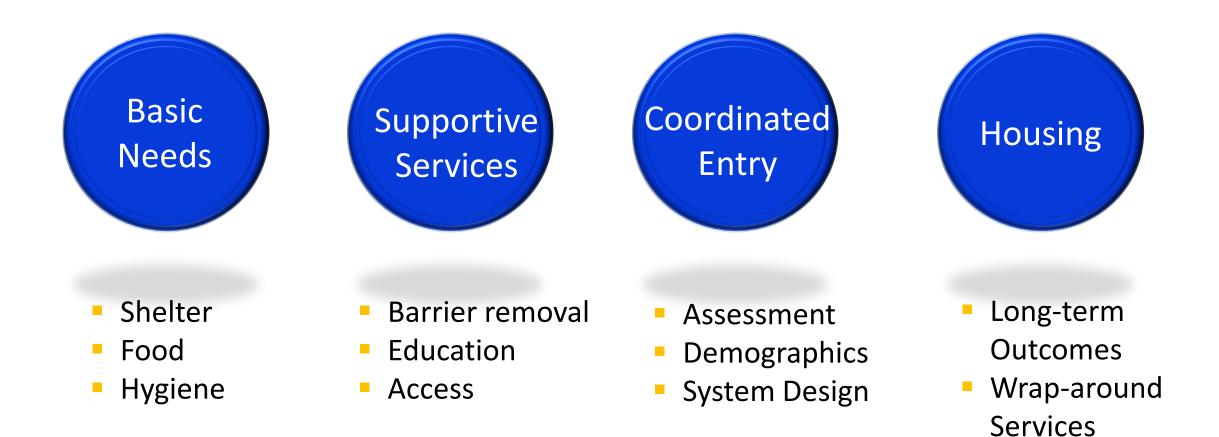

• WHO WE ARE

- Organize community-wide resources to fight poverty
- *Provide Services* to the low-income community; *holistic services* not issue specific
- Advocate for, educate the community on, issues facing people in poverty

Emergency Solutions Grant (ESG)

 Mid-Willamette Valley Community Action Agency is requesting formal Polk Co. approval of OHCS - ESG allocation for the utilization of sustaining ARCHES Outreach services for FY 23 and FY 24.

> Emergency Solutions Grant Certification of Polk County Approval for Sub-grantee's Proposed Use of OHCS 2023 – 2025 ESG Funds

I, _____, duly authorized to act on behalf of, Polk County, hereby approve the project(s) listed below proposed by Mid-Willamette Valley Community Action Agency, which serves Marion and Polk Counties:

Project Name:	Mid-Willamette Valley Community Action Agency – ARCHES Project
	Mobile Outreach
Target Population:	Unsheltered and chronically homeless
Proposed Services:	Salary and fringe benefits for Outreach staff who provide resource navigation (especially to shelter, coordinated entry, and housing), provision of basic need items, transportation to services, response to citizen/local government/partner/emergency services requests, and community partner collaboration. All services are aimed at improving quality of life outcomes, as well as increasing positive entries into housing.
