INTEROFFICE MEMORANDUM

POLK COUNTY COURTHOUSE

TO: BOARD OF COMMISSIONERS
FROM: GREG HANSEN, ADMIN. OFFICER
DATE: JUNE 28, 2024
SUBJECT: MASTER FEE SCHEDULE FY 2024-2025

RECOMMENDATION:

The Board review and adopt Resolution No. 24-09 involving the proposed countywide fee schedule for fiscal year 2024-2025.

ISSUE:

Should the County update and modify its current fee structure for providing services?

BACKGROUND:

In 1989, the County formally developed a master fee schedule. Since 1989, the County, as permitted under ORS, has annually revised its fee schedule to incorporate increased costs associated with providing these services.

This year all departments were sent a copy of their existing fees and were asked to make the necessary modifications and several departments sent in revisions.

ALTERNATIVES:

The following are alternatives:

1. Approve the draft master fee schedule.
2. Modify the draft fee schedule based upon discussions with the affected departments.
3. Make no changes and keep the existing fees for service.

FISCAL IMPACT:

The revenue generated from the proposed fees varies by department.

*** Access Culvert Fees**

If an access culvert needs to be replaced out of necessity created by the orderly execution of maintenance activities of Polk County Public Works, there will be no fee charged to the landowner.

If an access culvert installation is requested by a landowner to be installed by Polk County Public Works, then the fee will be based on the estimated total cost to Polk County Public Works for the cost of materials, equipment and labor.

If an access culvert installation is requested by a landowner to be installed by others, there will be a \$300 permit fee associated with the additional review and approval work necessary to ensure that the culvert is installed in accordance with Public Works requirements.

**** Special Event Fees**

The fee charged for special events will be as follows:

- \$50 base fee plus \$7 per County Road intersection included in the special event route.
- All special events are subject to applicable sweeping costs (equipment rental rates).

***** Private Maintenance Fees**

The fee charged for private maintenance agreements will be based on a calculation of actual costs, with a minimum rate of \$50. The actual cost will depend on the following parameters:

- Length of roadside included in private maintenance agreement.
- Average vegetation management cost
- Number of signs required to serve the privately maintained area

Guidance:

- Assume no cost of enforcement. If a PM holder is non-compliant, the agreement will be terminated.
- Maximum cost is \$600 per agreement
- Contiguous properties can be included in one agreement, including those that span a road.
- Multiple property owners can join a single PM agreement, but if one is non-compliant, the agreement is terminated.
- A lessee may apply for a PM agreement on ground that he/she is leasing, but the landowner's signature is required on the application to ensure they are included in the process.

****** Cost Share Fees**

The fee charged for cost shares will be credited to the payees cost share assessment upon successful acceptance of the project by the Board of Commissioners.
