Without limiting the generality of the foregoing, the parties expressly agree to comply with: (i) Title VI of the Civil Rights Act of 1964; (ii) Section V of the Rehabilitation Act of 1973; (iii) the Americans with Disabilities Act of 1990 and ORS 659A.142; (iv) all regulations and administrative rules established pursuant to those laws; and (v) all other applicable requirements of federal and state civil rights and rehabilitation statutes, rules and regulations. DEPARTMENT's performance under this Agreement is conditioned upon COUNTY's compliance with the provisions of ORS 279B.220, 279B.230, 279B.235 and 279B.270, as amended from time to time, which are made applicable to this Agreement and incorporated herein by this reference. All employers, including COUNTY, that employ subject workers who work under this Agreement in the State of Oregon shall comply with ORS 656.017 and provide the required Workers' Compensation coverage unless such employers are exempt under ORS 656.126.

COUNTY shall ensure that each of its subcontractors complies with these requirements.

Nothing in this Agreement shall require County or Department to act in violation of state or federal law or the Constitution of the State of Oregon.

XII ACCESS TO RECORDS

For not less than six (6) years after Agreement expiration or termination, DEPARTMENT, the Secretary of State's Office of the State of Oregon, the federal government, and their duly authorized representatives shall have access to the books, documents, papers and records of COUNTY which are directly pertinent to this Agreement for the purpose of making audit, examination, excerpts, and transcripts. COUNTY shall retain all pertinent records until the later of: (i) the date that is not less than six (6) years following the Agreement expiration or termination date or (ii) the date on which all litigation regarding this Agreement is resolved. COUNTY agrees that full access to DEPARTMENT will be provided in preparation for and during litigation and that copies of applicable records shall be made available upon request and payment by DEPARTMENT for the COUNTY's cost to produce the copies.

XIII SURVIVAL

All rights and obligations shall cease upon termination or expiration of this Agreement, except for the rights and obligations set forth in Sections IV, IX, X, XI, XII, XIII, and XIV.

XIV GOVERNING LAW; JURISDICTION; VENUE

The laws of the State of Oregon (without giving effect to its conflicts of law principles) govern all matters arising out of or relating to this Agreement, including, without limitation, its validity, interpretation, construction, performance, and enforcement. Any party bringing a legal action or proceeding against any other party arising out of or relating to this Agreement shall bring the legal action or proceeding in the Circuit Court of the State of Oregon for Marion County. Each party hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum.

XV WAIVER

The failure of either party to enforce any provision of this Agreement will not constitute a waiver by that party of that or any other provision.

XVI EXECUTION AND COUNTERPARTS

This Agreement may be executed in several counterparts, each of which will be an original, all of which will constitute but one and the same instrument.

XVII MERGER; INTEGRATION

This instrument contains the entire agreement between the parties and no statement made by any party hereto, or agent thereof, not contained or attached with reference thereto in this written agreement will be valid or binding. NETWORK ACCESS BY COUNTY

1. COUNTY jail users will be permitted to use existing DEPARTMENT data circuits to access third party systems. Access is permitted for jail management system application users only. COUNTY jail users will not be permitted to use DEPARTMENT circuits for video conferencing, Real Audio, Internet access, applications that require large amounts of bandwidth, or other jail management software online service or system unless approved by DEPARTMENT. COUNTY jail users will be permitted to use DEPARTMENT's data circuits for video image transmissions using a NIST standard (available from DEPARTMENT upon request).

- A. All network traffic covered by this agreement will employ TCP/IP network protocols.
- B. DEPARTMENT will continue its policy of only providing one router to each county. This means that if COUNTY's jail and the parole and probation office are located in separate buildings, COUNTY will be responsible for providing a connection between the two buildings.

2. COUNTY understands and acknowledges that DEPARTMENT is subject to the public records provision of ORS 192.311 through 192.478 and other applicable laws and administrative rules which establish uniform guidelines and procedures for the release of information from DEPARTMENT's computer system.

**EXHIBIT C
INDEMNIFICATION
POLK COUNTY**

Contribution

If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against a party (the "Notified Party") with respect to which the other party ("Other Party") may have liability, the Notified Party must promptly notify the Other Party in writing of the Third Party Claim and deliver to the Other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Either party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by the Other Party of the notice and copies required in this paragraph and meaningful opportunity for the Other Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to the Other Party's liability with respect to the Third Party Claim.

With respect to a Third Party Claim for which the Department is jointly liable with the County (or would be if joined in the Third Party Claim), the Department shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the County in such proportion as is appropriate to reflect the relative fault of the Department on the one hand and of the County on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the Department on the one hand and of the County on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The Department's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if the Department had sole liability in the proceeding.

With respect to a Third Party Claim for which the County is jointly liable with the Department (or would be if joined in the Third Party Claim), the County shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the Department in such proportion as is appropriate to reflect the relative fault of the County on the one hand and of the Department on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the County on the one hand and of the Department on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The County's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if it had sole liability in the proceeding.

Alternative Dispute Resolution

The parties should attempt in good faith to resolve any dispute arising out of this agreement. This may be done at any management level, including at a level higher than persons directly responsible for administration of the agreement. In addition, the parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.

Indemnification by Subcontractors

County shall take all reasonable steps to cause its contractor(s) that are not units of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless the State of Oregon and its officers, employees and agents ("Indemnitee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including attorneys' fees) arising from a tort (as now or hereafter defined in ORS 30.260) caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of County's contractor or any of the officers, agents, employees or subcontractors of the contractor ("Claims"). It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by the contractor from and against any and all Claims.

Subcontractor Insurance Requirements

GENERAL

County shall require its first tier contractor(s) that are not units of local government as defined in ORS 190.003, if any, to: i) obtain insurance specified under TYPES AND AMOUNTS and meeting the requirements under, "TAIL" COVERAGE, NOTICE OF CANCELLATION OR CHANGE, and CERTIFICATES OF INSURANCE before the contractors perform under contracts between County and the contractors (the "Subcontracts"), and ii) maintain the insurance in full force throughout the duration of the Subcontracts. The insurance must be provided by insurance companies or entities that are authorized to transact the business of insurance and issue coverage in the State of Oregon and that are acceptable to County. County shall not authorize contractors to begin work under the Subcontracts until the insurance is in full force. Thereafter, County shall monitor continued compliance with the insurance requirements on an annual or more frequent basis. County shall incorporate appropriate provisions in the Subcontracts permitting it to enforce contractor compliance with the insurance requirements and shall take all reasonable steps to enforce such compliance. Examples of "reasonable steps" include issuing stop work orders (or the equivalent) until the insurance is in full force or terminating the Subcontracts as permitted by the Subcontracts, or pursuing legal action to enforce the insurance requirements. In no event shall County permit a contractor to work under a Subcontract when the County is aware that the contractor is not in compliance with the insurance requirements. As used in this section, a "first tier" contractor is a contractor with which the county directly enters into a contract. It does not include a subcontractor with which the contractor enters into a contract.

TYPES AND AMOUNTS

PROFESSIONAL LIABILITY

Professional Liability Insurance covering any damages caused by an error, omission or negligent act related to the services to be provided under the Subcontract, with limits not less than \$2,000,000, as determined by the Department:

"TAIL" COVERAGE If any of the required insurance policies is on a "claims made" basis, such as professional liability insurance, the contractor shall maintain either "tail" coverage or continuous "claims made" liability coverage, provided the effective date of the continuous "claims made" coverage is on or before the effective date of the Subcontract, for a minimum of 24 months following the later of : (i) the contractor's completion and County 's acceptance of all Services required under the Subcontract or, (ii) the expiration of all warranty periods provided under the Subcontract. Notwithstanding the foregoing 24-month requirement, if the contractor elects to maintain "tail" coverage and if the maximum time period "tail" coverage reasonably available in the marketplace is less than the 24-month period described above, then the contractor may request and the Department may grant approval of the maximum "tail " coverage period reasonably available in the marketplace. If Department approval is granted, the contractor shall maintain "tail" coverage for the maximum time period that "tail" coverage is reasonably available in the marketplace.

NOTICE OF CANCELLATION OR CHANGE The contractor or its insurer must provide 30 days' written notice to County before cancellation of, material change to, potential exhaustion of aggregate limits of, or non-renewal of the required insurance coverage(s).

CERTIFICATE(S) OF INSURANCE County shall obtain from the contractor a certificate(s) of insurance for all required insurance before the contractor performs under the Subcontract. The certificate(s) or an attached endorsement must specify: i) all entities and individuals who are endorsed on the policy as Additional Insured and ii) for insurance on a "claims made" basis, the extended reporting period applicable to "tail" or continuous "claims made" coverage.
