Subject: Polk County’s 2019 TMDL Implementation Plan Annual Progress Report

Dear Ms. Gramlich,

Enclosed is Polk County’s annual progress report for the activities of our TMDL Implementation Plan that were completed during 2019.

Included is “Exhibit 1” to our Revised Plan that was submitted in November 2018. “Exhibit 2” is the TMDL Implementation Planning Matrix, and I have updated the status column to reflect the activities that were conducted in 2019. Polk County does not propose any changes to the Plan at this time.

If you need additional information, please contact our office.

Sincerely,

Sidney Mulder, Planning Supervisor
