Subject: Polk County's 2023 TMDL Implementation Plan Annual Progress Report

Dear Ms. Gramlich,

Enclosed is Polk County's annual TMDL Implementation Planning Matrixes, which has been updated to summarize the activities that were conducted in 2023 (Attachments A and B).

At this time, Polk County is not proposing any modifications to the existing Implementation Plan. Although, Polk County is proposing to slightly modify the Mercury TMDL Planning Matrix that was approved November 15, 2022. These revisions are shown on Attachment C in red.

If you need additional information, please contact me at (503)623-9287 or Silverman.kayla@co.polk.or.us.

Sincerely,

Kayla Silverman
Engineer Technician

Attachments Included:

Attachment A – 2023 TMDL Implementation Planning Matrix for Temperature and Bacteria
Attachment B – 2023 TMDL Implementation Planning Matrix for Mercury
Attachment C – Mercury Matrix (Revised February 2024)
