Perrydale School District 21

Measure No: 27-131

Caption: Construct instructional spaces and a multipurpose facility; renovate; improve security

Question: Shall Perrydale School District issue \$3,427,650 in bonds and receive a state matching grant to renovate schools? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

Summary: The District will receive a \$3,427,650 state grant only if these bonds are approved. Bond and grant funds are expected to finance:

- Construct new classrooms, a multipurpose facility, remodel existing buildings and increase educational space to meet the national standards for classroom space.
- Address security improvements throughout the school.
- Upgrade activity space and the playground facility.
- Abate asbestos and upgrade HVAC throughout the school.
- ADA upgrades throughout the school.
- As funding is available, enhance space for science, technology, engineering, art, and math (STEAM).
- Acquire easements/land for bond and grant projects, if required.
- Fund site improvements; demolition; technology; furnishing; equipment; and bond issuance costs.

Bonds will not be used for deferred maintenance. The District would establish a citizen oversight committee to ensure proceeds are used for purposes indicated.

Bonds would mature in not to exceed 20 years from issuance and may be issued in series. The estimated tax rate is \$1.50 per \$1,000 of assessed property value. Actual levy rate may differ due to changes in interest rates and assessed value.

Contest Total: 1

Amity Fire District

Measure No: 36-204

Caption: RENEW FIVE YEAR LOCAL OPTION TAX FOR OPERATIONS AND CAPITAL

Question: Shall the district renew levy \$0.45 per \$1,000 each year for five years beginning 2021 for operations and capital projects? This measure renews current local option taxes.

Summary: This measure authorizes Amity Fire Board of Directors to levy a renewal property tax not to exceed \$0.45 per \$1,000 of assessed value each year for five years, beginning 2021. The taxes would be used to upgrade operations and personnel, replace, repair and upgrade district equipment and support partnerships, including:

- Personal protective clothing for occupational safety and cancer prevention standards.
- Enhanced training, personnel development, recruitment and retention of volunteers.
- Continued technology for training and reporting.
- Partnership with McMinnville Fire for a staffed FF/Paramedic Ambulance with two personnel assigned at Amity fire station.
- Vehicle and equipment maintenance and replacement to industry standards.
- Enhance operational costs for Administration and Training (current contract with McMinnville Fire).

The proposed rate would raise approximately \$188,732 a year for 5 years for Amity Fire District. This is estimated to be \$68/yr on a \$150,000 home - about \$5.70 a month. Amity Fire District is not asking for an increase from the previous year but a renewal to continue critical operations to the community they serve. The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of the estimate and may reflect the impact of early payment discounts, compression and the collection rate.

Contest Total: 1

West Valley Fire District

Measure No: 36-203

Caption: Five-year operating levy for fire and emergency medical services

Question: Should the District issue a local operating levy for fire and emergency services for five years beginning in 2020-21? This measure may cause property taxes to increase more than three percent.

Summary: The measure, if approved, would authorize the District to levy taxes to support the annual cost of fire and emergency medical services. The measure would provide for a local option operating levy at a rate not to exceed \$1.06 cents per \$1,000 of taxable assessed value within the District for five years, beginning July 1, 2020. The estimated revenue over five years is:

Fiscal Year	Estimated-Yearly Total
2020-21	\$332,458
2021-22	\$342,432
2022-23	\$352,705
2023-24	\$363,286
2024-25	\$374,185
Total	\$1,765,086

The District's goal with this levy would be to hire additional Firefighter/Paramedics to improve our emergency response force. The District has identified a trend of increasing call volume and decreasing volunteer response. Money would also be used to purchase a new ambulance, replacing an ambulance that is over 15 years old. This added revenue would allow the District to continue to provide our community with a reliable and effective service capability.

The estimated tax cost for this measure is an ESTIMATE ONLY, based on the best information available from the county assessor at the time.
