RULE 1 - GENERAL PROVISIONS

1.0 - WELCOME

The Polk County Personnel Rules contains the personnel policy for all employees of Polk County. In the event of a discrepancy between the manual as it applies to union represented employees and their applicable labor agreement, the Union agreement shall govern unless otherwise prohibited by law.

1.1 - PURPOSE AND OBJECTIVES

Polk County expressly reserves the right to change, add to, or delete our policies at any time. Changes will be effective on dates determined by the County, and you may not rely on policies that have been superseded. No supervisor or manager other than the Board of Commissioners has any authority to alter the policies, and all such changes must be in writing; verbal statements cannot change the policies.

This manual sets forth the Rules that are to be followed by Polk County (hereinafter referred to as "County") in the administration of its personnel program. The Personnel Rules will be in full force and effect in all cases except where specifically amended or superseded by union contract or other written agreements approved by the Board between the County and employees. The purpose of these Rules is to implement and give effect to a system of personnel administration and to achieve the following objectives:

1.1.1 System for Personnel Administration

Provide and maintain a system of personnel administration, which provides for a consistent and equitable employment relationship between employees and the employer.

1.1.2 Position Classification Plan

Establish and maintain a position classification plan that will group positions in the County's employment into classes based upon the similarity of their duties, authorities, and responsibilities.

1.1.3 Compensation Plan

Provide for a compensation plan that shall include for each class a minimum and maximum pay rate and such intermediate pay rates as are considered necessary and equitable.

1.1.4 Incentives

Provide incentives and conditions of employment to promote efficiency, economy, effectiveness, and public responsiveness in the operation of the County.

1.1.5 Employee Tenure

Provide that the tenure of employees covered by these Rules shall be subject to proper conduct on the job, the satisfactory performance of work, necessity for the performance of work, and the availability of funds.

1.2 - APPLICATION OF PERSONNEL RULES AND PROCEDURES

All offices and positions of the County, except Non-employee Service, shall be divided into Classified Service or Unclassified Service.

1.2.1 Classified Service

Classified Service shall be comprised of all budgeted positions in the County that are not excluded by Rule 1.2.2. Employees occupying positions in Classified Service are subject to all of the Personnel Rules except when labor agreements or other written agreements approved by the Board between the County and employees specifically amend or supersede the Rules.

1.2.2 Unclassified Service

Except as otherwise provided in a specific employment agreement, or contract, employees occupying positions in Unclassified Service serve at the pleasure of the appointing authority, do not possess a property right in continued employment and are subject to all of the Personnel Rules except those addressing Recruitment and Selection, Employee Conduct and Discipline, Complaint Policy, Resignation and Layoff unless specific reference is made to an unclassified employee or unclassified position. Unclassified Service shall include positions listed below:

- (a) All Elected Officials or those appointed to fill a vacancy in an elected position.
- (b) Department heads and deputy department heads.
- (c) Executive and administrative persons serving in a policy-making or confidential position, as designated by resolution of the Board of Commissioners.
- (d) Departmental Office Managers.
- (e) County Counsel.
- (f) Persons employed in temporary positions, as defined in these rules.

1.2.3 Non-employee Service

Persons in Non-employee Service shall not be considered as employees; therefore, they will not be extended employee benefits and may be refused the use of County vehicles. Non-employee Service shall include the following:

- (a) Persons employed by contract to render expert services of an occasional or exceptional character, including those employed by temporary agencies to perform work for the County.
- (b) Volunteer uncompensated personnel.
- (c) Members of commissions or boards.

1.2.4 Separability

In the event that any provision of these Rules is declared invalid by any court or competent jurisdiction, made illegal through enactment of federal or state law or through government regulations having the full force and effect of law, all other provisions not invalidated shall remain in full force and effect. The provision declared invalid shall be amended as provided for in Rule 2.1.

1.2.5 At-Will Employment

Subject to applicable contractual provisions, employment at Polk County is at-will, meaning that employment may be terminated at any time, with or without notice or explanation, for any lawful reason, either by the County or the employee. All employees are hired for an indefinite period and may resign or be terminated without cause or notice at any time. This is what is meant by “at-will” employment. Normally we try to give regular employees (i.e., those who have successfully completed the probationary period) an opportunity to correct less serious performance problems before being terminated. In any given case, however, we may decide that the nature of the problem and/or the employee’s overall record makes immediate termination appropriate. If we decide some form of lesser action is appropriate, we may choose a verbal warning, written reprimand, probation, or suspension.

RULE 2 - ORGANIZATION FOR PERSONNEL ADMINISTRATION

2.1 - ADMINISTRATION OF THE PERSONNEL PROGRAM

Administration of the personnel program shall be the responsibility of the Human Resources Department. The Board of Commissioners may, through contractual agreement, utilize the services of consultants or contractors for assistance in the administration of these policies, or delegate to an assistant the responsibility of administration or assisting in the administration of these Rules and procedures.

2.1.1 Development of Rules

Human Resources shall prepare and recommend policies or amendments to Rules to the Board of Commissioners at least once each year under Polk County Code Section 11.110, and as necessary to carry out the Personnel Program. Employees will be provided reasonable opportunity to review amendments to Rules prior to their adoption.

2.1.2 Adoption and Amendment of Rules

All policy statements and amendments thereto developed, as part of the Personnel Rules of the County, shall be adopted by resolution of the Board of Commissioners.

2.1.3 Development and Establishment of Procedures

Human Resources shall have the authority to develop and establish operating procedures as necessary to implement the Personnel Rules. Operating procedures shall become effective on the date stated in written memorandum from the Human Resources Director to all employees.

2.2 - ESTABLISHMENT AND MAINTENANCE OF PERSONNEL RECORDS

2.2.1 Attendance Reports and Records

Payroll shall be responsible for preparing reports for the purpose of recording attendance, leaves, and leave accumulations. The responsible employee(s) shall keep and maintain a record of attendance of official duty, vacation leave earned, accrued and used; and any other leave with or without pay. These records shall be available to supervisors, and individual employees shall be permitted to inspect his/her own records at a mutually convenient time.

2.2.2 Personnel Database

Human Resources shall be responsible for establishing and maintaining a database of all employees in the County, showing for each employee the class title, salary rate, date of employment, and such other employment data as is deemed pertinent.

2.2.3 Personnel Action Reports

Every appointment, transfer, promotion, demotion, separation, change of salary rate, and other temporary or permanent change of status of employees shall be reported in writing on such forms as may be required.

2.2.4 Personnel Files

A personnel file will be maintained for each individual employed by the County. This file shall be the official record for an employee of the County and shall contain copies of all official reports, memos, letters, personnel actions, etc., relating to performance and employment status of the employee.

(a) Exclusions

Personnel files do not include records of an individual relating to the conviction, arrest or investigation of conduct constituting a violation of the criminal laws of this state or another state or the United States; or confidential reports from previous employers.

(b) Public Disclosure

Information in personnel files will be treated as exempt from public disclosure as provided in the Oregon Public Records Law. Information that cannot be treated as confidential under that law includes Name, job title, salary, dates of employment, and employing department. Other information in the files may be subject to public disclosure by court order. Employees who run for public office will have their personnel files made public, upon request from any citizen.

(c) Access to Files

Employees may review their files during regular office hours at a mutually convenient time. At the request of the employee, copies of materials included in such files shall be furnished; the cost of which shall be paid by the employee at the current established rate as determined by the County. By signed authorization, an employee may extend the right of review to the employee's official representative. Department Heads will have access to the files of their subordinates. Human Resources will have access to all personnel files for the purpose of carrying out necessary personnel duties, and shall be responsible for the establishment of such files. Human Resources may designate one or more employees to be responsible for the clerical tasks associated with maintaining employee personnel files.

(d) References

Only factual information concerning dates of employment, title, and salary are provided unless written consent forms are completed. No supervisor is authorized to give any information about current or former employees. All requests for references about current or previous employees must be referred to the Human Resources Department. All requests for references shall be submitted in writing; Human Resources shall ensure that the employee has signed a consent form prior to responding in writing. Co-workers may provide character references; however, this must be done on their own personal time. Co-workers shall not use Polk County letterhead when writing letters of recommendation.

Information regarding the employee's performance will be furnished only if there is a signed release of information consenting to the release of such information. Information will be provided upon receipt of a duly authorized summons, subpoena, or judicial order. Polk County will not inform an employee that information has been disclosed to law enforcement agencies.

(e) Entry of Materials to Files

1. Human Resources shall routinely place, or have placed, all official documents relating to an individual's employment history with the County in the employee's personnel file. Such materials include Personnel Action forms, performance appraisals, letters of hire, application form for initial employment, and other materials deemed relevant to an individual's employment history as determined by Human Resources. No materials that reflect critically upon an employee shall be placed in an employee's personnel file without the employee's knowledge.
2. Department Heads may submit materials to be included in an employee's personnel file to the Human Resources Department for review. Human Resources must approve all non-routine materials submitted for inclusion in an individual's personnel file. The employee shall sign all submittals as proof that they have seen the material. Refusal to sign shall be noted and witnessed.
3. Employees may submit written rebuttal to any materials entered into their file, which they believe, reflects poorly on their employment history with the County or is in error. Such rebuttal shall be attached to the materials they are objecting to and shall be part of the file so long as such material remains in the file.

(f) Removal of Materials

Normally, once material has been entered into an employee's personnel file, it shall remain with the contents of the file permanently. However, an employee may request of Human Resources that letters of caution, consultation, warning, admonishment, or reprimand, and records of disciplinary actions, grievances and complaints be removed from the file after a one-year period, if no recurrence of a similar infraction occurs. Upon the employee's request, Human Resources will determine if the material is to be removed from or retained in the file and notify the employee accordingly. In addition, Human Resources will determine if material will be removed from the file before one year has passed but retained in a different file in order to comply with Oregon's administrative rules on retention of public records.

(g) Retention Periods

Items in the employee's official personnel file are retained as provided for by Oregon Administrative Rule 166-150-0160.

(h) Retention Period Freeze

The retention schedule shall be suspended and no records removed upon receipt of a charge of discrimination under the Federal Equal Employment Opportunity Act.

(i) Review and Removal

Personnel files shall be reviewed annually for compliance with OAR 166-103-0040. All material exceeding designated retention periods may be removed.

- (b) Employees are held accountable for knowing their immediate supervisor, and for initiating all requests, questions, or appeals beginning at this level in the organizational structure.

RULE 3 - THE CLASSIFICATION PLAN

3.1 - ADOPTION AND MAINTENANCE OF PLAN

Human Resources shall be responsible for developing and maintaining a position classification plan, which shall group all positions in the Classified and Unclassified Service, except for positions of elected officials and temporary employees, into classes based upon their duties, authority, responsibility and qualifications.

3.2 - PURPOSE

The purpose of the classification plan is to provide a complete and continuous inventory of all positions in Classified and Unclassified Service and to provide accurate descriptions and specifications for each class of employment. The plan shall standardize titles, each of which shall be indicative of the definite range of duties and responsibilities and have the same meaning throughout the Classified and Unclassified Service.

3.3 - ALLOCATION OF POSITIONS AND CLASSIFICATIONS

Subject to Board of Commissioners' approval, Human Resources shall be responsible for allocating all classifications in Classified and Unclassified Service to specific salary ranges or wage rates on the Compensation Plan and shall be responsible for assigning all positions to classifications. Human Resources may conduct, or have conducted, classification studies to determine the proper allocation of classifications to the salary ranges or position assignment to the proper classification.

3.3.1 Classification Specifications

Each classification shall include the class title, a description of the duties and responsibilities of the work and a statement of the minimum qualifications a person should possess to perform the work with reasonable prospects of success.

The definitions in classification specifications are descriptive and not restrictive. They are intended to indicate the kinds of positions that are allocated to the several classes, and determined by duties and responsibilities, and are not to be construed as declaring what the duties and responsibilities of any position may be, or as limiting or modifying the power of any supervisor to assign, direct and control the work of employees under their supervision. The use of a particular expression or illustration as to duties shall not be held to exclude others not mentioned that are of similar kind or quality, nor shall any specific omission necessarily mean that such factor is not included.

(a) In determining the classification to which any position should be allocated or assigned, the specification describing each classification shall be considered as a whole. Consideration shall be given to the general duties, specific tasks, responsibilities, qualification requirements and relationships to other classes, as a composite description of the kind of employment, which the class is intended to embrace.

- (b) The minimum qualifications enumerated in a classification specification shall relate to the reasonable standards of experience and training required at the time of recruitment and appointment of an employee.

3.3.2 Use of Classification Titles

The classification title shall be the official title of every position allocated to the classification for the purpose of Personnel Actions and records and shall be used on all official documents referencing positions.

3.3.3 Changes to Positions/Classifications

Human Resources may recommend to the Board of Commissioners for final approval, the establishment, revision or abolishment of positions and classifications as necessary for the effective and efficient operation of the County. When a Department Head desires to establish a new position or classification, a description of duties, responsibilities and qualifications of the position or classification shall be submitted to Human Resources with supporting rationale and recommendation. Human Resources shall review the recommendation, and if approved, submit it to the Board of Commissioners.

3.3.4 Classification of Existing Positions, Allocations of Existing Classifications

Employees shall perform duties and be assigned responsibilities consistent with those outlined in the classification for the position to which they are assigned. If a Department Head determines that the duties and responsibilities performed have altered substantially, they may submit a written request for classification analysis to Human Resources, who shall make an appropriate recommendation to the Board of Commissioners.

3.3.5 Effect of Upward Reclassification on Incumbents

When a position is reclassified to a classification at a higher salary range, the incumbent employee shall be continued in the position. When an employee is reclassified, they will receive at least a one-step (four percent) pay increase. If the new range does not have a step that is one-step higher, the employee's salary will be advanced to the next step higher than four percent. If such increase is not sufficient to place the salary within the new salary range, the salary will be advanced to the minimum step of the new range. Department heads may grant higher promotional increases with approval of the Board of Commissioners. At no time shall the increase result in a step that is higher than available in the new salary range. Employees affected by upward reclassification, as just described, shall retain the salary review date previously established during their employment with the County.

- (a) If the incumbent employee of the position is unable to meet the minimum qualifications of the position as reclassified, the rules governing transfer, demotion, or layoff may apply. The position may be temporarily under filled at the discretion of Human Resources if it can be demonstrated that the incumbent employee will, within 6 months, meet the minimum qualifications of the position as reclassified.

- (b) If the incumbent employee of the position is serving his/her initial probationary period to the County, the position may be filled with the incumbent. Provided, however, the incumbent meets minimum qualifications for the position as reclassified, and, provided a satisfactory performance appraisal is submitted supporting the employee's competency in performing the job responsibilities. The position may be filled competitively at the discretion of Human Resources if the incumbent is serving the initial probationary period to the County.

3.3.6 Effect of Reclassification Downward or to Same Level on Incumbents

When a position is reclassified to a classification at the same salary level or to a classification, that carries a lower salary range, the incumbent probationary employee or regular employee may be accorded the same salary in the new classification provided the employee meets the minimum qualifications for the position as reclassified. If the exact current salary is not in the range for the new classification, the salary may be set at the next higher step. In a downward reclassification, if the employee's salary exceeds the top step of the new classification, the salary may be frozen until general annual salary adjustments cause it to be the same as the top step of the new classification. Employees affected by reclassification as just described shall retain the salary review date previously established during their employment with the County. If the incumbent employee of the position is unable to meet the minimum qualifications of the position as reclassified, the policies governing transfer or layoff may apply.

RULE 4 - THE COMPENSATION PLAN

4.1 - PREPARATION AND ADOPTION OF THE COMPENSATION PLAN

Human Resources shall recommend to the Board of Commissioners for adoption a Compensation Plan for all classified and unclassified positions in the County. The Compensation Plan shall include for each classification a minimum and maximum rate of pay and such intermediate rates as are considered necessary and equitable. Flat rates may be used in place of salary ranges where appropriate.

The salary range assigned to each classification shall be established to equitably reflect the differences in the duties and responsibilities between it and other classifications and shall take into account salary rates and benefits paid by other employers for similar work in relevant public employment, the County's financial condition and policies, unusual problems of recruitment and turnover, and other relevant factors.

4.2 - ADMINISTRATION OF THE COMPENSATION PLAN

Human Resources is responsible for the on-going maintenance and administration of the Compensation Plan. The following are general requirements of Human Resources in administering the Compensation Plan:

4.2.1 Salary Adjustments

Salary range adjustments are to be distinguished from salary increases based on meritorious performance, as they are not intended to give recognition to length or quality of service, but are to be based on prevailing rates of pay for the various classes of work in the County. The rates of pay for incumbents when these adjustments are made shall be determined pursuant to Rule 3.3.5 and 3.3.6.

4.2.2 Rates of Pay

Each employee shall be paid a rate of pay within the salary range for the classification in which they are employed. Rates of pay are those contained in the salary range. The rate of pay shall not be below minimum step or above the maximum step of the salary range for the classification in which the employee is employed. The exception to this rule would be the reclassification of a position to a lower range when the wage could be frozen.

4.2.3 Pay Periods and Pay Dates

(a) Monthly

Employees shall be paid on a monthly basis with the payday being the last business day of the month. An employee in regular status may request and shall receive a pay advance no more than twice in a calendar year if Human Resources find there is a bona fide emergency. Pay advances will be limited to half the hours worked, less required taxes and deductions. Forms are available from Payroll. No payroll advances will be issued after the 20th of the month. Allow two days for check processing.

4.2.4 Entrance Salary

Normally an employee will be appointed or re-appointed at the minimum or next higher step of the range established for the classification. Appointments at higher steps will be governed by the following procedures:

(a) Procedure

When a Department Head believes that an appointment should be made at a higher rate than step 2 the Department Head shall present a request in writing to the Board of Commissioners prior to making such appointment. Human Resources shall review the recommendation and make a recommendation to the Board based on the information available.

(b) Basis of Approval

The factors to be reviewed in approving an appointment above the minimum or next higher step are availability of applicants with the qualifications for the vacant position, qualifications of all available applicants, the resulting pay relationship with other employees, prior experience of the candidate and the time available to continue the recruitment process.

4.2.5 Part-time Employees

Pay for part-time employees shall be based upon the established hourly rate for the classification.

4.2.6 Partial Monthly Pay

When a full-time employee's pay is based on less than a full month of employment, the employee's wages shall be based on a prorated amount of the full-time salary based on actual hours worked.

4.3 - SALARY ADJUSTMENTS BASED ON PERFORMANCE APPRAISAL

Salary increases are not automatic, but rather are based on the performance level of the employee. All salary increases, with the exception of salary increases resulting from classification changes, shall be recommended through the performance appraisal system described in Rule 9.

4.3.1 Eligibility for Merit Salary Increases Based on Performance Appraisal

Employees hired at the first step in the salary range shall be granted a salary increase after six full months of continuous service and annually thereafter on their Anniversary Date if they are not at the maximum step of the salary range of their classification, and provided their performance is rated satisfactory or higher as reflected in their performance appraisal. The department head can grant or deny merit increases to employees rated needs improvement. Employees rated unsatisfactory shall not receive an increase. (Refer to Rule 9.2 - Denial of Salary Increase Based on Performance Review.) An employee hired at step 2 or above shall be eligible for a salary increase after 12 full months of continuous service. The anniversary date shall be the date of receiving the salary increase under this section.

Employees can be given more than a one-step increase if their performance is exceptionally good, the department head recommends it, and the Board approves it.

4.4 - SALARY ADJUSTMENTS BASED ON CLASSIFICATION CHANGES

4.4.1 Promotion

When an employee is promoted, they will receive at least a one-step (four percent) pay increase. If the new range does not have a step that is one-step higher, the employee's salary will be advanced to the next step higher than four percent. If such increase is not sufficient to place the salary within the new salary range, the salary will be advanced to the minimum step of the new range. Department heads may grant higher promotional increases with approval of the Board of Commissioners. The employee will be placed on probation to the position. If appointed to step 1, then upon satisfactory completion of the first 6 full calendar months of the probationary period, the employee will be eligible to proceed to the next step of the salary range. If appointed to step 2 or above, the employee will be eligible to proceed to the next step after 12 full calendar months of service. If an employee is serving a probationary period at the time of promotion, he/she shall be required to serve a 6-month probation in the new position, or complete the number of months remaining on the initial hire probationary period, whichever is longer, to commence on the date the promotion is effective. All employees will be eligible for salary increases annually thereafter, until they reach the maximum step of the salary range. Employees must be rated outstanding, above average, or satisfactory on the performance appraisal form to be eligible for the increase.

4.4.2 Demotion

If an employee is demoted to a classification having a lower salary range, the salary shall be set as shown below. The employee's Anniversary Date shall remain unchanged as a result of demotion.

- (a) Promoted employees who have been demoted (or who request to be demoted) to their former lower class shall be put on the step in the lower range that they would have been on if they hadn't been promoted, taking into account merit increases they would have earned during time in the higher class.
- (b) Promoted employees who have been demoted (or who request to be demoted) to a class that is not their former shall be put on the step in the lower range that is closest to the step they were on prior to the promotion, taking into account merit increases they would have earned during time in the higher class.
- (c) Employees originally hired into a higher class shall be put on the same step in the lower class as they were on in the higher class.

4.4.3 Transfer

When an employee is transferred from one classification to another classification having the same salary range as the employee's assigned position, the employee's salary and eligibility for salary increases will remain the same.

4.4.4 Working Out of Assigned Classification

In cases where an employee is temporarily reassigned to a position in a higher classification for periods in excess of 40 consecutive hours, such employee shall receive compensation at one step (4%) above their existing salary rate or the first step of the class to which they are temporarily assigned, whichever is greater. Such compensation shall be for all hours of work at a higher classification beginning from the first day of the assignment for the full period of the assignment. Paid sick leave and holidays shall not be considered as a break in the 40 consecutive hours worked. All such assignments must be approved in advance by Human Resources.

4.4.5 Reclassification

Salary adjustments for reclassifications shall be done as set forth in Rule 3.3.5 and 3.3.6.

4.5 - SALARY RATE ON APPOINTMENT FROM LAYOFF LIST

When an individual is appointed from a layoff list to a position in the same classification in which the person was previously employed, the employee may be paid at the same salary step, in the same salary range at which such employee was being paid at the time of layoff.

4.6 - OVERTIME

4.6.1 Overtime Defined

Overtime shall be considered time worked by an employee in the performance of his/her job duties, which falls under any one of the following conditions:

- (a) Work in excess of 8 hours per day in a 5 - 8 workweek (5 days of 8 hours each), or 10 hours per day in a 4 - 10 workweek (4 days of 10 hours each);

4.6.2 Overtime Compensation Eligibility

Employees shall be eligible for overtime compensation as required by the Federal Fair Labor Standards Act (FLSA). 4.6.3 Overtime Compensation

- (a) Compensation for authorized overtime shall be at the rate of time-and-one-half the employee's regular hourly wage rate. Overtime work shall be computed daily to the nearest quarter (1/4) hour. Compensation shall be paid in cash or compensatory time as determined by the County. Compensatory time off is to be scheduled by the mutual agreement of the department and employee. Employees may accrue up to 40 hours of compensatory time and carry this amount into each new fiscal year. Compensatory time in excess of 40 hours shall be paid at the end of the next regular pay period.
- (b) An employee shall not be entitled to multiple overtime compensation on a particular unit of time, even though more than one of the conditions set forth in Rule 4.6.1 may apply with respect to that particular unit of time.
- (c) For the purpose of computing overtime hours for overtime-eligible employees, vacation leave, compensatory leave, and sick leave shall not be regarded as hours worked.

4.7 - INCENTIVE AWARDS

The Board of Commissioners may authorize cash awards in recognition of meritorious proposals by employees to enhance efficiency and safety.

5.1 - DATE OF HIRE

The Date of Hire is the first day an employee actually works in an authorized position.

5.1.1 Use of Date of Hire

The Date of Hire shall not be adjusted if an employee is on military leave, either with or without pay, or on workers' compensation leave without pay.

5.2 - CONTINUOUS SERVICE DATE

The Continuous Service Date is the first calendar day of the first full month worked. The Date of Hire will determine the Continuous Service Date.

5.2.1 Use of the Continuous Service Date

The Continuous Service Date shall be used for determining eligibility for employment benefits, which are based on full months of service.

5.2.2 Adjustment of the Continuous Service Date

Adjustment of the Date of Hire can result in an adjustment of the Continuous Service Date if the Date of Hire adjustment results in that date being moved to a later month, or later than the first working day of the month.

5.3 - ANNIVERSARY DATE

The Anniversary Date is the date when an employee is eligible for a salary increase based on performance appraisal.

5.3.1 Anniversary Date

An employee may make a request in writing to Human Resources for demotion from a position in one classification, to a position in a classification of lower rank. If an employee requesting a demotion is qualified for the position requested, Human Resources may approve the request, providing it does not result in the layoff of another employee, is acceptable to the recipient Department Head, and conforms to Rule 4.4.2. The employee shall be eligible for a merit increase to the next step in the salary range at their next evaluation period.

RULE 8 - PROBATIONARY PERIOD

8.1 - PURPOSE

The probationary period shall be an integral part of the selection and screening process. It shall be utilized by supervisors as an opportunity to observe the employee's work, to train and aid the employee in adjustment to his/her new position, and to reject any employee whose work performance and/or fit within the department is deemed substandard.

8.2 - DURATION

At any time during an employee's probationary period with the County, Human Resources may remove an employee if, in the opinion of the Department Head and Human Resources, the employee is unable or unwilling to perform the duties satisfactorily, or the employee's work habits, conduct and/or dependability do not merit continuance in the service.

8.7 - ACTION AT END OF PROBATIONARY PERIOD

The Department Head shall, through the Performance Appraisal process, recommend one of the following actions:

8.7.1 Regular Appointment

When the services of the employee have been found to be satisfactory or above, the Department Head shall recommend that the employee be appointed to regular status. When the employee has been found to be in need of improvement, the Department Head may recommend the employee is appointed to regular status in lieu of proceeding under Rule 8.7.2 or 8.7.3.

8.7.2 Termination of Employment

When the employee has been found to be in need of improvement, the Department Head may recommend termination, or in the case of a promoted employee, returned to his/her previous classification if there is a position available. When the services of the employee have been found unsatisfactory, the Department Head shall recommend that the employee be terminated, or in the case of a promoted employee, returned to his/her previous classification if there is a position available.

8.7.3 Continue Probation

Request that the probationary period be extended for an additional period up to 6 months. Human Resources shall review all requests for probation extension and approve or deny the request. The tenure of every employee shall be conditioned on proper conduct on the job and satisfactory performance of duties.

13.1.1 Romance

Although romantic relationships between co-workers are permitted, the County discourages employees from becoming romantically involved with one another. The County prohibits supervisors from becoming romantically involved with subordinates. These situations can lead to charges of sexual harassment or retaliation by subordinates, and favoritism by other employees. If a supervisor and subordinate begin a romantic relationship, it is the responsibility of the senior-ranking employee to disclose the relationship to Human Resources. Failure to disclose may subject one or both employees to disciplinary action. The County reserves the right to transfer one or both of the individuals.

Creating a healthy and safe work environment is a top priority of the County. This policy reflects our commitment to our employees and our belief that drug or alcohol abuse poses a serious risk, not only to the individual but also to other employees and the public. In addition to emphasizing the County's belief that safety and health are essential, the policy underscores our firm commitment to a drug-free workplace.

Employees are prohibited, as a condition of employment, from the unlawful manufacture, distribution, dispensing, possession, use, or being under the influence of a controlled substance or intoxicant. Additionally, the possession, use, or sale of alcohol, marijuana or misuse of any legal drugs in the workplace is prohibited. - (b) Require the convicted employee to participate in and satisfactorily complete a drug abuse assistance or rehabilitation program approved by the appropriate agency.

13.5 - DISCIPLINARY ACTION

It is the policy of the County that employee discipline be corrective, progressive, and lawful.

13.5.1 Corrective

Disciplinary action shall be corrective in the sense that the employee understands about the causes and reasons for an employee's deficiencies, corrects those deficiencies and attempts to restore himself/herself to a productive and positive employment status. The object of disciplinary action is to correct problem situations and mistakes, and to the extent possible under the circumstances, minimize employees' loss of dignity and self-esteem. Disciplinary action is not punitive in nature and is not undertaken with the intent to punish. Disciplinary actions will be handled on a fair and equitable basis.

They will be nondiscriminatory in their application and be reasonable in their appropriateness to the problem or situation.

13.5.2 Progressive

Disciplinary action will normally begin with an oral reprimand or warning and, when circumstances warrant, proceed to written reprimand, suspension from work without pay or demotion in status and/or pay, and, finally, to discharge from employment with the County.

A severe incident of misconduct may require severe disciplinary measures such as discharge and may not be preceded by lesser forms of disciplinary action.

13.5.3 Lawful

Disciplinary action and the procedures by which this action is administered shall not violate the employee's civil rights. Minimally, when disciplinary action involves suspension without pay, demotion, or discharge of a regular service employee, the employee shall be notified in writing:

- (a) That disciplinary action is being considered.
- (b) Of the charges against them in writing, citing the specific policy or performance violation.
- (c) That the employee will be provided an opportunity to refute the charges either orally or in writing before the Department Head having the authority to effectively recommend the final decision to the Board.

13.6 - DEPARTMENT HEADS' RESPONSIBILITY

Department Heads are responsible for administering discipline within the general guidelines of these Rules.

Each Department Head has the responsibility in the disciplinary process for identifying employment deficiencies in employees, seeking with the employee ways to solve and correct those deficiencies and to act appropriately and fairly to resolve the problem. The Department Head will consult with Human Resources prior to taking disciplinary action.

13.7 - APPEALS FROM DISCIPLINARY ACTION

The Board of Commissioners has the authority and responsibility for final decisions on all disciplinary actions recommended by Department Heads or initiated by the Board. Disciplinary action may be appealed as provided by law, labor agreement or other written agreement approved by the Board between the County and employees, or Rule 14, Complaint Policy.

RULE 14 - COMPLAINT POLICY

14.1 - COMPLAINT POLICY

It is the policy of the County to provide for an orderly process whereby employees may have their problems and complaints considered as fairly and as expeditiously as possible without fear of reprisal. The County has established a complaint procedure for the purpose of securing at the lowest possible level, equitable solutions to the problems or complaints alleged by employees that may, from time to time, arise. This procedure will be kept informal and confidential, consistent with the ultimate goal of resolving the complaint.

14.2 - DEFINITIONS

The procedures should be processed as rapidly as possible to avoid unnecessary strain on the employee and interruption in the workflow. The number of days indicated for settlement or appeal at each step of the procedure should be considered a maximum. The time limits can be extended by mutual consent of the parties involved at any step of the procedure.

14.3.2 Employee Protection

There shall be no restraint, interference, discrimination, or reprisal exerted on any employee choosing to use the procedures for resolution of complaint.

14.3.3 Failure to Respond

Failure at any step of this procedure by the complainant to appeal a complaint to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step. Failure at any step of the procedure to communicate the decision in writing on a complaint within the specified time limits shall permit the complainant to proceed to the next step.

14.3.4 Files

All documents, communications and records of a complaint, if appropriate, will be filed separately from the personnel files. Reference to the records, such as a summary, may be placed in the appropriate personnel file.

14.3.5 Initiation of Complaint

- (a) Each complaint must be initiated within 10 working days of the occurrence of the cause for the complaint; however, if the complainant did not become aware of the occurrence until a later date, then the complaint must be initiated within 10 working days of his/her first knowledge of the cause. Failure to initiate a complaint within the specified time limits may be grounds for rejecting the complaint.
- (b) Complaints should be initiated at the lowest supervisory level in the departmental structure and advanced to the Board of Commissioners as the final authority on complaint resolution. If it is not appropriate to initiate the complaint with the immediate supervisor, then the complaint will be initiated at the most appropriate level in the organizational structure.

14.3.6 Confidentiality

All information relating to the initiation of a complaint shall be considered confidential information as much as entirely possible.

14.4 - COMPLAINT PROCEDURE

14.4.1 Informal Conference (Step 1)

Since the purpose of this complaint procedure is to settle equitably and informally, if possible, disputes constituting a complaint at the lowest possible administrative level, a thorough discussion of the claim shall be conducted by the complainant and his/her immediate supervisor to seek grounds for the resolution of the problem.

14.4.2 Formal Conference (Step 2)

In the event the problem has not been resolved at Step 1, the complainant shall, within 5 working days after the informal conference, prepare a written statement of the facts constituting the complaint and setting forth:

and
- (e) The remedy sought.

This information shall be sent to the employee's Manager or Department Head who shall, within 5 working days of receipt of the complaint, meet with the complainant and, if necessary, the supervisor to attempt to resolve the matter. Within 5 working days of the formal conference, the Manager or Department Head shall prepare and provide the complainant a written statement of the decision and the reasons for it.

14.4.3 Appeal (Step 3)

Within 5 working days of receipt of the decision or within ten working days after the formal conference held at Step 2, whichever is later, the complainant may file an appeal in writing to the Board of Commissioners, setting forth the grounds upon which the complaint is based and the reasons why the complainant considers the decision rendered at Step 2, to be unacceptable. Copies of the decision and statement of reasons from Step 2 above shall be filed with the appeal.

14.4.4 Meeting with the Board (Step 4)

- (a) Within 10 working days after receiving the appeal the Board of Commissioners, or its designee, shall meet with the complainant for a thorough discussion of the complainant's claim. The Board of Commissioners, or its designee, may ask the Department Head, Manager, the immediate supervisor, or other applicable staff to participate in this meeting. The

complainant may request that a representative accompany them to this meeting. The purpose of the meeting shall be to resolve the complaint.

- (b) The Board of Commissioners, or its designee, shall render a written decision regarding the complaint within 10 working days of the meeting. The decision of the Board of Commissioners, or its designee, is final other than provided by law.

Human Resources shall notify an employee of a pending layoff in writing, at least 15 calendar days prior to the effective date of the layoff.

When identifying the individual employees subject to layoff, the classification within the organizational departments in which layoff is to occur will first be determined. Temporary employees who occupy positions in classifications in which layoff is to occur may be terminated prior to the layoff of any probationary or regular status employee in the affected classification. Probationary employees may be considered for layoff prior to laying off any regular status employee.

Retention of employees subject to layoff shall be based first upon the Performance Rating, and when this is not decisive, then upon Seniority of Service determined by the Date of Hire.

The above notwithstanding, if two or more employees in the affected classification are performing assignments in differing areas of specialization, then qualifications of the incumbents shall be considered in lieu of the Performance Rating.

15.2.3 Offer of Reassignment or Transfer

A regular status employee shall not be laid off before they have been made an offer of reassignment to a different position within the organizational department in the same classification or a classification of the same salary level, for which the employee is qualified and for which a position vacancy is available. Such offers of reassignment shall be in writing, and shall be offered by Human Resources.

All such offers must be accepted within 3 calendar days of written notification.

Should a regular status employee reject a written offer of reassignment or transfer to another position in the same classification or a classification of the same salary level, such employee shall be considered to have voluntarily terminated his/her employment as of the effective date of the original layoff notice.

15.2.4 Demotion of Laid-off Employees or Offer of Part-time Employment

The County may offer an employee who is on notice of pending layoff a demotion to a position in a lower classification, or part-time employment in lieu of layoff to a position for which the employee is qualified, and for which a position vacancy is available. The demotion or offer of part-time employment in lieu of layoff shall be a non-competitive appointment, and shall be offered to the employee in writing by Human Resources. The employee shall have three calendar days from the date of such written notification to accept or reject the offer.

- (a) An employee, who rejects or accepts an offer of demotion or an offer of part-time employment in lieu of layoff, shall have his/her name placed on the layoff list for the classification within the organizational department from which the layoff occurred, and shall be considered for reappointment.

benefits restored. The employee's Date of Hire will be adjusted by the total number of calendar days in which the County did not employ them.

- (c) Failure of an employee to respond to a written offer of reappointment within 3 calendar days of the date of such offer shall be deemed a rejection of the offer. The employee's name shall be removed from the layoff list as if the employee had rejected the offer.
- (d) All written correspondence shall be sent by mail to the last known address of the employee. Mail returned as undeliverable or addressee unknown, etc., shall be considered a failure to respond.

Polk County is committed to providing all employees with a work environment free of discrimination or harassment of any kind.

17.2 - HARASSMENT PROHIBITED

It is the policy of Polk County that all employees be able to work in a setting free from all forms of unlawful discrimination, including harassment, on the basis of protected class status, including, but not limited to: race, color, religion, gender (sex), national origin, age, sexual orientation, disability or retaliation. (Examples of retaliation are opposing discrimination and participating in an investigation of discrimination.)

17.2.1 Harassment

Harassment is verbal or physical conduct that demeans or shows hostility or aversion toward an individual because of race, color, religion, gender, national origin, age, sexual orientation, or disability, or that of their relatives, friends, or associates, and that: (1) has the purpose or effect of creating an intimidating, hostile, or offensive working environment; (2) has the purpose or effect of unreasonably interfering with an individual's work performance; or (3) otherwise adversely affects an individual's employment opportunities.

Harassing conduct includes, but is not limited to, the following: (1) epithets, slurs, negative stereotyping, demeaning comments or labels, or threatening, intimidating or hostile acts that relate to race, color, religion, gender, national origin, age, sexual orientation, or disability; and (2) written or graphic material that demeans or shows hostility or aversion toward an individual or group because of race, color, religion, gender, national origin, age, or disability and that is placed on walls, bulletin boards, computers or elsewhere on the employer's premises, or circulated in the workplace.

17.2.2 Sexual Harassment

Sexual harassment is a form of gender (sex) discrimination. The Equal Employment Opportunity Commission has defined sexual harassment as follows:

"Unwelcome sexual advances, requests for sexual favors, or other conduct of a sexual nature when directed at an individual because of an individual's gender, and other verbal or physical conduct of a sexual nature constitute sexual harassment when (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment, (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or (3) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment."

Prohibited sexual harassment may include, but is not limited to, unwelcome sexual advances; sexual jokes, calendars, posters, cartoons, magazines; derogatory or physically descriptive comments about or towards another employee; sexually suggestive comments or demands for sexual favors in exchange for favorable treatment or continued employment; inappropriate use of County communications including e-mail and telephone (inappropriate as viewed by the receiver of the communication), unwelcome touching or physical contact, flirtations, leering, whistling, obscene comments or gestures; punishment or favoritism on the basis of an employee's gender; sexual slurs; negative sexual stereotyping.

Harassment will not be tolerated in our workplace. It is against the policies of Polk County for any employee to harass another employee. This includes acts between supervisors and employees; it also includes acts between one employee and another.

17.2.3 Complaints of Harassment

If you believe that you have been harassed, report the harassment immediately. The report should be to either: (1) your supervisor, (2) Human Resources, or (3) your department head. You may report harassment to Human Resources without first contacting your supervisor. The County will take no action against an employee whom in good faith reports harassment to the County or participates in an investigation. The County prohibits retaliation of any kind against employees, who, in good faith report harassment and/or discrimination or assist in investigating such complaints. If an employee feels he/she has been subjected to any form of retaliation, the employee should report that conduct to his/her immediate supervisor, Human Resources or department head. The County will attempt to maintain confidentiality, consistent with the County's obligation to conduct an adequate investigation and to take prompt corrective action in response to any harassment or retaliation.

Any supervisor or other employee found in violation of this policy will be subject to discipline up to and including discharge.

17.3 - AMERICANS WITH DISABILITIES ACT

ADA Procedures Generally. The ADA requires reasonable accommodation to applicants and/or employees with disabilities. The applicant and/or employee or someone acting on his/her behalf must request accommodation either verbally or in

writing as soon as the need arises. Polk County may ask for documentation of such disability from an appropriate professional such as a doctor or rehabilitation counselor. Not all medical limitations constitute a disability. Disabilities that are transitory or temporary do not qualify for accommodation under this Act. Medical documentation verifying the alleged disability and/or detailing precise limitations of the employee's ability to perform his/her job duties may be required. In such event, accommodation options will be explored with the employee through an interactive process.

Requests for accommodation shall be made to Human Resources for evaluation, and factual finding as to the validity of the requested accommodation. Requested accommodations cannot change or alter the essential functions of any classification.

Human Resources may consult, investigate, and/or require a second medical opinion at Polk County's expense in order to gain the necessary information to make a reasoned and factual finding on requests for accommodation.

17.3.1 ADA Complaint Process

In the event that any Polk County employee believes that he/she has been discriminated against on the basis of his/her disability status, he/she may file a written complaint within one year of the alleged discriminatory incident with Human Resources. Human Resources shall provide a procedure that ensures that the concerns contained in the complaint will be thoroughly investigated.

The Claimant is further entitled to seek equitable resolution of his/her Title II complaint pursuant to the complaint procedure set out in Rule 14.

17.3.2 ADA Coordination

In compliance with the ADA, Human Resources is appointed to coordinate ADA compliance in all aspects except facilities. The Administrative Officer will work in conjunction with Human Resources to coordinate ADA compliance with respect to County facilities.

17.3.3 ADA/504 Coordination/Complaints

A complaint alleging discrimination based on a disability will be submitted in writing to the County's ADA/504 coordinators (County Administrative Officer or Human Resources). Complaints concerning employment practices will be submitted to Human Resources; those concerning County facilities will be submitted to the Administrative Officer.

RULE 18 - WORKPLACE VIOLENCE

18.1 - PURPOSE

The safety and security of Polk County employees, customers, vendors, contractors, and the general public are of vital importance. Therefore, threats and acts of violence made by an employee or member of the public against another person's life, health, well-being, family, or property will be dealt with in a zero tolerance manner by Polk County.

The Oregon Occupational Safety and Health Administration (OR-OSHA) requires employers provide employees with a safe place of employment, free from recognized hazards that are causing or are likely to cause death or serious harm to employees.

18.2 - DEFINITIONS

18.2.1 Zero Tolerance:

Employees who display any violence in the workplace or threaten violence in the workplace are subject to disciplinary action up to and including the possibility of termination of employment. Members of the public who display any violence in the workplace or threaten violence in the workplace shall be reported to law enforcement officials.

18.2.2 Violence:

Physically harming another, shoving, pushing, intimidating, coercion, brandishing weapons, and/or communicating threats or talk of violence in written, electronic, physical, or verbal form.

18.3 - GENERAL POLICY

This policy applies to, but is not limited to all employees, contractors, and volunteers of Polk County.

18.3.1 The following is prohibited by Polk County:

- (a) Any act or threat of violence made by an employee against another except in the performance of the employee's official job duties.
- (b) Any act or threat of violence, including, but not limited to, intimidation or coercion.
- (c) Any act or threat of violence, which endangers the safety of employees, customers, vendors, contractors, or the general public.
- (d) Any act or threat of violence made directly or indirectly by words, gestures, or symbols.
- (e) Use or possession of a weapon in any County building, except by enforcement officials.

While certain employees of Polk County may be required as a condition of their work assignment to possess or are permitted to carry, as authorized by law, firearms, weapons, or other dangerous devices, it is Polk County policy that employees are to use them only in accordance with departmental operating procedures and all applicable State and Federal laws.

Employees are expected to report to their supervisors, any behaviors that compromise this policy and the County's ability to maintain a safe work environment.

18.4 - POLICY GUIDELINES/PROCEDURES

18.4.1 Report threats of violence

Each employee of Polk County and every person on Polk County property are encouraged to report incidents of threats or acts of violence of which s/he is aware.

In cases where the individual is a County employee, the report should be made to the individual's immediate supervisor, a management level or supervisory employee, if the immediate supervisor is not available, or to the Board of Commissioners, Human Resources or the Administrative Officer (Risk Manager).

If the threat is immediate, the supervisor should call 911 or contact the Sheriff's office at 503 623-9251. Each supervisor shall promptly refer the matter to the Board of Commissioners or to Human Resources. Concurrently, with the initiation of any investigation leading to a proposed disciplinary action, the County shall report the incidents of threats or acts of violence promptly to the appropriate law enforcement agency.

In cases where the reporting individual is NOT a County employee, the report should be made to the appropriate law enforcement agency.

Nothing in this policy alters any other reporting obligation established in these Personnel Rules or in State, Federal, or other applicable law.

18.5 - INVESTIGATION PROCEDURE

A confidential investigation will be conducted immediately. Anonymity and confidentiality for the employee reporting the threat or act will be maintained to the degree possible.

Where investigations confirm the allegations, appropriate disciplinary action will be taken as outlined in these Personnel Rules, up to and including the possibility of termination of employment.

All employees are expected to cooperate with the investigation. Failure to cooperate with an investigation may lead to disciplinary action including termination of employment.

Information provided by individual employees in the course of the investigation will be treated as confidential and will only be provided to those who have a need for the information or when it is required in the course of investigating the complaint.

Providing false information in the course of the investigation is grounds for discipline up to and including dismissal.

RULE 19 - POLK COUNTY SAFETY POLICY

19.1 - POLICY

It is Polk County's intention to establish and maintain an effective safety and health program and provide a safe and healthful workplace free of recognized employee hazards. In doing this, we pledge compliance with Oregon Revised Statutes and Oregon Occupational Health Regulations.

A designated Human Resources employee acts as the County Safety Officer. The Safety Officer, Department Heads, managers, and supervisors will implement the safety and health program. They will have the authority to investigate accidents, correct any hazardous conditions or unsafe work practices, and ensure these rules are followed. Polk County has two safety committees: one for the Sheriff's Office and Jail, and the other that covers all other areas of the County. Minutes of safety committee meetings and names of committee members are available on the County G drive in the Employee Handbook and posted monthly in each building. Employees are encouraged to contact the safety committee in their work area if they have safety concerns.

19.2 - GENERAL RULES

- (a) Employees must ensure all possible precautions are taken to maintain safety on the job. They must use the provided safety equipment and personal protective equipment and devices. Employees are required to promptly report all unsafe acts and unsafe conditions to their supervisor for corrective action.
- (b) Safety and health equipment suitable for each job must be worn as a condition of employment. (Example: hard hats, eye protection, hearing protection, gloves, protective footwear, leg protection, aprons, etc.)
- (c) Illegal drugs and alcoholic beverages will not be permitted on the job or in County vehicles.
- (d) Managers and supervisors have the right to immediately stop any part of the operation to correct a dangerous condition or unsafe work practice.
- (e) Employees are required to use proper lifting techniques, and take advantage of all lifting and material handling apparatus.
- (f) Employees must immediately report all injuries to their supervisors. Failure to do so may result in disciplinary action, up to and including termination of employment.
- (g) All accidents resulting in injury will be investigated to identify the cause and ascertain necessary corrective measures.
- (h) Any violation or failure to comply with Oregon Revised Statutes, Oregon Occupational Health Regulations, and/or Polk County's Safety and Health Policy, may result in disciplinary action.

19.3 - RESPONSIBILITIES

Supervisors are responsible for the safety of their employees. Safety suggestions are encouraged, and will be objectively evaluated by the supervisor, senior management, and/or the area Safety Committee for necessary action. If employees have any questions about safety, or the safe way to do something, they should ask questions. Employees should not take unnecessary chances. Only through an intensive, cooperative effort between management and employees can we be assured of a successful County that provides a safe and stable workplace.

19.4 - PROCEDURES FOLLOWING AN ACCIDENT

(a) **EMPLOYEE:**

Immediately notify supervisor, no matter how small the accident. Complete an Accident Report (available from Payroll). This form must be filled out on any accident no matter how minor. The Accident Report is retained by Payroll; it is not sent to the County's workers' compensation insurance carrier. Do not fill out Form 801, unless the accident requires medical treatment or time loss from work.

(b) **SUPERVISOR/DEPARTMENT HEAD:**

Forward completed Supervisor Accident Investigation form to Payroll along with the employee Accident Report and an 801 if necessary. The applicable safety committee will review the accident and conduct an accident investigation if indicated.

(c) **FOR ACCIDENTS REQUIRING MEDICAL TREATMENT AND/OR TIME LOSS FROM WORK:**

1. **EMPLOYEE:**

Must complete the worker's section of Form 801 (available from Payroll) and forward it to supervisor immediately.

2. **SUPERVISOR:**

Fill out the employer's sections of Form 801. Supervisors are required to forward Form 801 to Payroll within five days of the injury with the completed accident investigation form. A delay may cause loss of benefits to the employee.

RULE 20 - LEAVE SHARING

20.1 - GENERAL PROVISIONS

Regular status employees may be eligible for the Leave Sharing Program.

The intent of the Leave Sharing Program is to provide a means for employees to assist another employee who is out on, or is likely to go on, leave without pay because of a serious non-occupational illness, injury, impairment or physical or mental condition, or to care for a seriously ill family member of the employee's immediate family (spouse, same sex domestic partner, parent, parent-in-law, child, stepchild or *de facto* parent). A *de facto* parent is a person with whom the employee has developed a parental relationship in the absence of a biological or adoptive parent.

An employee who is receiving, or is eligible to receive, any type of retirement disability, short-term or long-term disability insurance, or other supplemental income is not eligible to receive donated leave. Human Resources shall verify an employee's eligibility.

Employees may donate time to the County for use by a specific recipient. Such donations will be confidential. Employees will be allowed to donate or receive accrued vacation, compensatory time, or, for the Sheriff's Office only, holiday time. Sick leave cannot be donated. Donations may not be withdrawn once made.

The County shall determine the order in which donated leave will be surrendered to the recipient employee. Donations not used will not be debited against the donating employee's accrued leave.

20.2 - PROCESS TO REQUEST LEAVE SHARING

Donations may be requested by the recipient employee or on his/her behalf by co-workers or his/her union representatives. The requester shall submit a memorandum to Human Resources documenting the reasons for the donation and the approximate amount of time needed by the employee who will receive the donations. Upon approval, Human Resources shall, at the recipient employee's request, notify the requesting employee(s) that the recipient employee is eligible to receive voluntary anonymous donations. The County employees may be notified through e-mail of the donation request, with the recipient employee's written permission..

The Human Resources Department may not solicit donations on the employee's behalf. This must be done by non-recipient employee(s) on non-working time.

The Human Resources Department may not release any medical information regarding the recipient employee unless authorized to do so, in writing, by the recipient employee.

Employees are prohibited from threatening or coercing or attempting to threaten or coerce another employee for the purpose of interfering with employee rights involving donating, receiving, or using donated leave time.

This policy is not subject to the grievance or arbitration section of any collective bargaining agreement, nor is it subject to any appeal procedure provided under the Personnel Rules of Polk County.

Polk County retains the right to change, modify, or discontinue this program at any time.

20.3 - CONDITIONS FOR RECEIVING LEAVE DONATIONS

An employee who receives any donated leave time must exhaust all available earned leave (personal leave, vacation leave, sick leave, compensatory time, etc.) before using any donated leave.

The recipient employee must file a medical certificate from his/her health care practitioner verifying eligibility under these criteria with Human Resources.

Donated hours shall not be processed in an amount greater than what is approximately necessary to cover the employee's anticipated need.

If otherwise qualifying under this Article, shared leave may be used to provide paid Family & Medical Leave that would otherwise be unpaid, but may not extend the length of Family & Medical Leave entitlement.

Donated leave may not be used to extend employment beyond the point that it would otherwise end by operation of law, rule, or regulation. For example, if an employee would have otherwise been terminated due to layoff or other reasons, donated leave may not be used to extend employment.

An employee who uses donated leave continues to accrue personal leave days and holidays.

If an employee is otherwise eligible for County paid health benefits, the employee will continue to receive those benefits while receiving donated leave.

20.4 - CONDITIONS FOR MAKING LEAVE DONATIONS

Donations must be made in increments of whole hours. Donations should be submitted on the donation form, provided in the employee handbook, to Payroll and must remain anonymous thereafter. Donations will not be converted to dollar figures; employees donating an hour of paid leave will pass the hour to the recipient, who will be paid at the recipient's regular rate of pay.

Donors must sign a declaration that their donation is voluntary and is intended as a gift and has been made without coercion, compensation or for other consideration. Donations must be received by the 20th day of the month in order to be available for use by the recipient during that pay period.

RULE 21 – FAMILY AND MEDICAL LEAVE POLICY

21.1 - PURPOSE

This document provides information to employees applying for or being placed on family and medical leave under the terms of the federal Family and Medical Leave Act (**FMLA**) and/or Oregon Family Leave Act (**OFLA**); and

Establishes a policy that allows employees to take up to 12 weeks of protected leave in a 12-month period for: their own serious health condition; for the birth or adoption of a child; for the placement of a foster child; for the care of a child with a non-serious health condition; for the care of a spouse, parent, child, grandparent, grandchild; parent-in-law or same-sex domestic partner who has a serious health condition; for an exigency leave related to a spouse, child or parent who is a service member in the National Guard or Reserves and who is on active duty or called to active duty; for the care of a spouse, child, parent, or next of kin of a covered service member with a serious injury or illness; and

Provides that upon certification by a medical practitioner, the employee shall utilize leave on an incremental (hourly) or full time basis. If an employee has two (2) or more qualifying events during a 12-month period, the employee is still only eligible for a total of 12 weeks of leave benefits (with the exception of parental leave and some pregnancy disability).

21.2 – ELIGIBILITY

OFLA: Employees must have been employed by Polk County for a minimum of 180 days and worked an average of 25 hours per week in the preceding 180 days to qualify for state family leave (20 hours/week for military family leave - OMFLA). Employees taking leave to care for a newborn, adopted, or newly-placed foster child only have to meet the 180 day employment requirement (regardless of the number of hours worked).

FMLA: Employees must have been employed by Polk County for a minimum of 12 months (need not be consecutive) and worked a minimum of 1,250 hours in the preceding 12 months.

21.3 – QUALIFYING PURPOSES

Under **federal law (FMLA)**, employees are entitled to leave in the following situations:

- (a) When the employee is unable to perform the essential functions of the job because of a serious health condition, including pregnancy-related conditions. In some situations, additional leave may be available for a pregnancy-related disability; and/or
- (b) In the event of a birth or adoption of a child under the age of 18 (including the placement of a foster child under age 18) within 12 months of the event; and/or

- (c) To care for a spouse, parent, or child under age 18 who has a serious health condition or a mentally/physically impaired child aged 18 or over; and/or
- (d) For a qualifying exigency related to a spouse, child or parent who is a covered service member and who is on active duty or called to active duty (for members of the National Guard or military reserves, the call to active duty must be to a foreign country); and/or
- (e) Up to 26 weeks of leave in a 12-month period to care for a spouse, child, parent, or next of kin who is a covered service member who incurred a serious injury or illness on active duty in the Armed Forces. Employee is entitled to utilize this leave for up to five years after service member's separation from military service.

In addition, employees are entitled to take Family and Medical Leave in the following situations under **Oregon law (OFLA)**:

- (a) To provide home care for a child under age 18 with a non-serious health condition, provided another family member is not able or willing to care for the child; and/or
- (b) To care for a child age 18 or over, grandparent, grandchild, parent-in-law, same-sex domestic partner, or child or parent of a same-sex domestic partner who has a serious health condition.
- (c) An additional 12 weeks of intermittent sick child leave for those employees who take a full 12-week block of family leave as parental leave, provided the child does not have a serious health condition. (OFLA)
- (d) Oregon Military Family Leave Act (**OMFLA**). An employee who is the spouse of a member of the Armed Forces of the United States, National Guard or military reserve forces and who has been notified of an impending call/order to active duty or who has been deployed is entitled to a total of 14 days of unpaid leave per deployment prior to military spouse's deployment and/or when the spouse is on leave from deployment.
- (e) Bereavement Leave. Up to two weeks of leave within a twelve month period to deal with the death of a covered family member for: attending the funeral or alternative to a funeral of the family member; making arrangements necessitated by the death of the family member; or grieving the death of the family member. Leave must be completed within 60 days of the date the employee receives notice of the death. Employee must provide verbal notice within 24 hours of commencing the leave and written notice within three days of returning to work. The two weeks is included in the 12-week OFLA annual entitlement. Employee may use any type of accrued leave to cover the time off outside the three days of bereavement leave provided by the county.

21.4 – GENERAL PROVISIONS

- (a) Twelve-week leave period. The County may designate, or the employee shall request, up to 12 weeks (480 hours) of leave during any “rolling” 12-month period for qualifying family or medical reasons. A rolling year means that the 12-month eligibility period starts when the leave begins and continues for the next 12 consecutive months. The 12 weeks of leave will be pro-rated for part time employees. Leave may be authorized by the medical practitioner to be taken intermittently (except for parental leave) or as a solid block of time. For military caregiver leave, employees are entitled to take up to 26 weeks of leave during a 12-month period. Family and medical leave is counted from the first day of absence under the qualifying purpose.
- (b) Paid leaves and leave without pay to run concurrently. Paid leaves and leave without pay run concurrently with family and medical leave where allowed by law. Any accrued paid leave, such as vacation, holiday time, compensatory time, personal leave days, and sick leave must be exhausted before unpaid leave is taken (except for a 40 hour vacation bank, if requested in advance by the employee). Sick leave shall be used consistent with the sick leave policy under Personnel Rule 11.3 or collective bargaining agreements. Leave under OFLA runs concurrently with leave under FMLA in most circumstances.
- (c) Family and medical leave cannot run concurrently with Workers’ Compensation Leave.
- (d) Intermittent/reduced schedule leave. Intermittent or reduced schedule leave is not available for parental leave used for the birth of a child unless pre-approved by the Board of Commissioners. However, intermittent leave is allowed to effectuate adoption or foster placement of a child. In situations where intermittent or reduced schedule leave is necessary, employees may be temporarily transferred to available alternative positions that better accommodate intermittent or reduced schedule leave. Leave for the birth, adoption, or foster care placement of a child must be taken within one year of the birth or placement of the child.
- (e) An employee must make a reasonable effort to schedule treatment for serious health conditions in a manner that does not unduly disrupt County operations.
- (f) Family benefit. If two family members work for the County and each wish to take family leave for a qualifying purpose, both employees are eligible to take 12 weeks of leave.
- (g) Continuation of benefits. Employees on leave are entitled to continue health benefits on the same terms and conditions as active employees for up to 12 weeks in a leave calculation year. **When leave without pay is necessary, health insurance premiums and employee-paid optional benefits will be the responsibility of the employee to pay their portion of the benefit to the County by the 1st of each month. Employees should contact Payroll to discuss their situation prior to taking leave without pay.**

The County may recover premiums paid on behalf of an employee who does not return to work for reasons other than a serious health condition of the employee or family member or other circumstances beyond the control of the employee.

21.5 - REQUEST PROCEDURES

- (a) Anticipated Situations: An employee must submit an **Employee Request for FMLA/OFLA** form at least thirty (30) days in advance of the start of the leave when the need for leave is foreseeable. Failure to provide timely notice may reduce the length of leave entitlement. The **Certification of Health Care Provider** form is also required. Failure to provide sufficient information to support the need for leave will result in leave denial.
- (b) Unanticipated Situations: In unanticipated or emergency situations where there is no opportunity to give notice and the need for leave is not anticipated, the employee must provide notification as soon as is practical and complete the **Employee Request for FMLA/OFLA**. The **Certification of Health Care Provider** form is also required.
- (c) In instances where the leave is taken for the birth or placement of a child, an **Employee Request for FMLA/OFLA** form must be submitted in advance with the anticipated leave dates on it. When the actual birth or adoption occurs, the employee must notify his or her supervisor or Human Resources if different than the dates originally submitted.
- (d) Bereavement Leave (OFLA only): The employee must submit an Employee Request for FMLA/OFLA with an explanation of the need for leave within three days of returning to work.
- (e) Human Resources may also, upon receiving information of a qualifying condition, evoke FMLA/OFLA without a formal request. Human Resources will notify the employee in writing of any such action taken.

21.6 – MEDICAL CERTIFICATION

- (a) Certification of Need:
 - 1. Certification of the need for family and medical leave is required. In the event of a serious health condition of the employee or family member, the certification must be provided by a medical practitioner on the applicable certification form within fifteen (15) days of the request for leave. The due date is specified on the Notice of Eligibility and Rights & Responsibilities form that the employee will receive from Human Resources. Failure to provide the required medical certification may delay the start of the leave or cause denial of family and medical leave. The employee may be required to furnish periodic medical reports as frequently as every thirty (30) days and to complete the full recertification process every six (6) months.

2. In the event of a request for parental leave to care for a newly adopted child or a newly placed foster child, the employee is required to provide verification from the agency.
3. Prior to allowing an employee to return to work, a **Fitness for Duty Certification** must be submitted by an employee who has been off work due to his/her own illness or injury. This must be completed and signed by a medical practitioner and submitted to the supervisor or Human Resources prior to or upon return. It must indicate that the employee is able to return to work and what restrictions there are, if any.
4. Under Oregon law, employees who use sick child leave on more than three separate occasions in a 12-month leave period may be required to provide medical documentation from the child's doctor to verify that the child was ill and required home care for all subsequent uses of sick child leave in the 12-month period.

(b) Intermittent or Reduced Schedule:

1. Serious Health Conditions. If medically necessary, family and medical leave may be taken on an intermittent or reduced schedule. The schedule must be stated by the certifying medical professional on the Certification of Fitness for Duty form.
2. Parental Leave. Intermittent leave or a reduced schedule is not allowed for the birth or adoption of a child, except to accommodate the legal process leading to the adoption of a child or the placement of a foster child.

21.7 - REINSTATEMENT

Generally, an employee returning from leave will be restored to the same or an equivalent position with equivalent pay, benefits, and other employment terms, unless the former position has been eliminated for bona fide business or fiscal reasons, in which case the employee may have no reinstatement rights. Employees covered by collective bargaining agreements follow the layoff provisions of their applicable agreement; non-represented employees are covered by the Polk County Personnel Rules, see Rule 15.2.

Employees who have exhausted all of their paid leave and have extended leave without pay beyond the time available under FMLA/OFLA are considered to have resigned. All health benefit payments made by Polk County will cease at the end of the FMLA/OFLA leave entitlement period.

EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- for incapacity due to pregnancy, prenatal medical care or child birth;
- to care for the employee's child after birth, or placement for adoption or foster care;
- to care for the employee's spouse, son, daughter or parent, who has a serious health condition; or
- for a serious health condition that makes the employee unable to perform the employee's job.

Military Family Leave Entitlements

Eligible employees whose spouse, son, daughter or parent is on covered active duty or call to covered active duty status may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period. A covered servicemember is: (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness*; or (2) a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.*

***The FMLA definitions of "serious injury or illness" for current servicemembers and veterans are distinct from the FMLA definition of "serious health condition".**

Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least 12 months, have 1,250 hours of service in the previous 12 months*, and if at least 50 employees are employed by the employer within 75 miles.

***Special hours of service eligibility requirements apply to airline flight crew employees.**

Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and

a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

- interfere with, restrain, or deny the exercise of any right provided under FMLA; and
- discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulation 29 C.F.R. § 825.300(a) may require additional disclosures.
