 2. All part-time employees who are regularly scheduled to work less than 80 hours per month.
 3. All temporary employees as follows:
 - a. Those employees who are hired for a seasonal, limited-term or temporary employment need. Such an employee shall not be employed by the County for a period of more than 6 months in a 12 month period.

 4. All employees who are currently in other bargaining units.

Such notice shall include a declaration as to the bargaining unit status of the new position, wage schedule, classification and job description. If it wishes, the Union shall also be permitted to meet directly with employees before, after and during breaks at their orientation. No employee shall suffer a loss of compensation or benefits as a result of participating in or attending the Union's presentation.

◆ ARTICLE II ◆

MANAGEMENT RIGHTS

It is recognized that an area of responsibility must be reserved so the County can serve the public effectively. Except to the extent expressly abridged by a specific provision of this Agreement, it is recognized that the responsibilities of management are exclusively functions to be exercised by the County and are not subject to negotiation or the grievance procedure. By way of illustration, and not of limitation, the following are listed as such management functions:

- A. The determination of the County's financial, budgetary, accounting and organizational policies and procedures.
- B. The continuous overseeing of personnel policies, procedures and programs promulgated under any ordinance or administrative order of the County establishing personnel rules and regulations not inconsistent with any other term of this Agreement.
- C. The management and direction of the work force including, but not limited to, the right to determine the methods, processes, and manner of performing work; the determination of the duties and qualifications to be assigned or required and the determination of job classifications; the right to hire, promote, demote, transfer and retain employees; the right to discipline or discharge for proper cause; the right to lay off for lack of work or funds; the right to abolish positions or reorganize the departments or divisions; the right to determine schedules of work; the right to purchase, dispose of and assign equipment or supplies; and the right to contract or subcontract any work.

This Article shall not preclude the Union and the County from either, (1) meeting during the period of the contract at the request of either party to discuss procedures for avoiding grievances and other problems and for generally improving relations between the parties, or (2) negotiating on any matter during the open negotiation period before termination.

ARTICLE III ♦

UNION SECURITY AND CHECK OFF

Section 1

Employees covered by this Agreement shall have the right to pay dues as a means to participate in their Union through application to the Union. Application and resignations of membership shall be handled solely by the Union.

Section 2

During the life of this Agreement, the Union will notify the Agency periodically of individuals who have become members of the Union.

An electronic file listing new authorizations or changes in authorizations for employee Union deductions will be submitted by the Union to the County electronically by close of business on the business day immediately preceding the tenth (10th) of each month. The County agrees that payroll deduction authorizations submitted within the timelines above shall be deducted from the next issued paycheck for the previous applicable pay period.

The County agrees to run an audit comparing the full list of all represented bargaining unit employees with the list of employees who have authorized Union deductions as provided for electronically by the Union. This audit shall take place at least quarterly or as mutually agreed upon in writing by the parties.

The Union shall notify the County of the current rate of dues and other authorized deductions in a timely manner, which will enable the County to make the necessary payroll deductions as specified.

The County shall deduct the specified amount for payment to AFSCME Council 75 from the monthly paycheck of employees in the bargaining unit who have authorized the deduction. The County agrees to remit the aggregate deductions together with an itemized statement to AFSCME Council 75, by the first day of the succeeding month after such deduction.

Employees whose employment begins or ends after working less than ten (10) working days in any calendar month will not be subject to dues deduction.

The County shall provide the Union with an editable Excel spreadsheet containing the following information for each employee in the bargaining unit:

- a. The employee's name, unique identifier, and date of hire.
- b. Contact information including: cellular, home and work telephone numbers; personal and work electronic mail address; and home or personal mailing address; and the

employment information including the employee's job title, salary, work schedule/shift and worksite location.

- c. Employment status change and effective date.
- d. Leave of Absence or retiree status, if applicable.

The County shall provide the information upon acceptance of an offer of employment for newly hired employees, and once per month for employees in the bargaining unit who are not newly hired.

Section 3

The Union will indemnify, defend and hold the County harmless against any claims made and against any suit instituted against the County as a result of any action taken pursuant to this Article. Such indemnification shall include, but not be limited to, any court costs, attorney fees and other expenses incurred by the County.

Section 4

All labor laws pertaining to Union dues and membership.

◆ ARTICLE IV ◆

HOURS OF WORK

Section 1

Regular Hours

The regular hours of work each day shall be consecutive except for interruptions for lunch periods.

Section 2

Workweek

The regular workweek shall normally be scheduled for five (5) consecutive eight (8) hour days, Monday through Friday, inclusive, or four consecutive ten hour days, except for employees classified as custodians. For overtime purposes the workweek shall begin at 12:01 a.m. Monday and end midnight on Sunday.

Nurses employed within the Polk County Jail will have the opportunity to work a 12 hour shift for three (3) consecutive days, with four (4) consecutive days scheduled to be off. These employees would earn overtime after 12 hours in a day or 40 hours in a week. Typically, these employees will work 36 hours in a work week as a 0.9 FTE. All existing policies for 0.9 FTE will be applied to all Nurses on a 12 hour shift. Nurses will still have the option to bid shifts based upon seniority.

Section 3

Workday

Eight (8) hours of work shall normally constitute a workday. An exception shall be made for employees working four ten hour days in a week, or a flex schedule. All employees shall be scheduled to work on a regular work shift, and each shift shall have regular starting and quitting times unless the employee is on a flex schedule as set out in Section 5 below.

Section 4

Work Schedules

Except for situations outside of the County's control, work schedules shall not be changed unless the changes are mutually agreed upon by the employee and the Employer, or unless the County has provided at least a ten (10) day notice to the employee/employees whose schedules are to be changed.

Section 5

Flex Schedules

A flex schedule may be initiated by the County when a special requirement is identified that requires a change in shift. Examples might include evening planning commission meetings or

immunization clinics, but are not limited to these examples. When a flex schedule is approved by the County Board of Commissioners, the employee will be provided ten (10) days prior notice unless an emergency situation exists. This ten (10) day notice period may be waived, if mutually agreed between the employee and the department head. A flex schedule is intended to accommodate the special needs of a department. Employees working a flexible work schedule shall waive the overtime over eight (8) hours in a work day provision in this agreement, but shall be subject to the overtime after working over 10 hours in a regularly scheduled work day or over forty (40) hours in a work week.

Public Works Special Flex Schedule

At no time shall a Public Works Road Crew employee be asked, required or allowed to work more than 16 consecutive hours in a rolling 24 hour period. If an employee at Public Works has worked 16 consecutive hours they will not return to work for a minimum of 8 hours after their shift ends. Employees will notify the supervisor if they become fatigued and feel unable to work a full 16 hour shift which would create a safety risk. Supervisors will relieve fatigued employees as soon as staffing and circumstances allow, without negative repercussions to the employee.

During the months of December, January and February each designated employee will receive Inclement Weather Pay in the amount of \$350 per month (prorated for part-time employees). The Inclement Weather Pay will be based solely on these 3 months, and is not dependent upon actual inclement weather. Such flexing of employees schedules will be based on inclement weather and related emergencies only.

Each designated employee will also be placed on a flex schedule. An employee compensation time/overtime pay based on a 10 hour work day or 40 hour work week. Meaning an employee will receive overtime for all hours worked in excess of 10 hours in a 24 hour work period from 12:00 a.m. to 11:59 p.m. An employee will also receive overtime for hours worked in excess of 40 hours during work week, even if the employee did not work more than 10 hours in any given day.

Section 6

Rest Periods

All employees' work schedules shall provide for a fifteen (15) minute rest period during each one-half (1/2) shift, whenever reasonable. Rest periods shall be scheduled at the middle of each one-half (1/2) shift, whenever feasible. Employees who, for any reason, work beyond their regular quitting time into the next shift shall, if possible, receive a fifteen (15) minute rest period before they start to work on the next succeeding shift, when the overtime is expected to exceed two (2) hours.

Any Nurse working the Jail on a 12 hour shift will receive three (3) 15 minutes breaks to fall in the middle of each four (4) hours the work.

Public Works employees may, with supervisor approval work through their rest periods when work conditions exist that would make it unreasonable to stop work. In such cases, this time shall be charged as double-time.

Section 7

Meal Periods

All employees shall be granted a non-paid lunch period of at least one-half (1/2) hour during each work shift, according to present practice. Whenever possible, lunch periods shall be scheduled at the middle of the shift.

Public Works employees may, with supervisor approval, work through their meal periods when work conditions exist that would make it unreasonable to stop work. In such cases, this time shall be charged as hours worked.

Section 8

4/10 Work Schedule

The County may require, or a majority of those employees affected may, with the agreement of the Board of commissioners, elect to work a 4/10 workweek schedule.

The County may, at its option, return to a 5/8 workweek schedule with ten (10) day notice to the affected employees.

Section 9

Behavioral Health and Juvenile Counselor On-Call

Mental Health and Juvenile personnel shall accrue twelve (12) hours of compensatory time for each weekly on-call rotation duty and any hours worked on call-out. However, compensatory time shall accrue at the rate of one and one-half (1-1/2) hours for each hour actually worked on holidays.

Personnel not involved in on-call rotation duty but called by on-call staff to assist in transporting a client to a protective facility will accrue one (1) hour of compensatory time for each hour worked assisting the on-call personnel. However, compensatory time shall accrue at the rate of one and one-half (1-1/2) hours for each hour actually worked on holidays.

All such hours worked and all hours accrued shall be documented and reported to the Finance office of the County.

Compensatory time accrued from on-call duty shall be combined with time accrued from regular overtime so that it becomes part of the 60 hour maximum that can be carried into each new fiscal year, and the time in excess of 60 hours will be paid at the end of the next regular pay period (see Article X, Section 6, Overtime).

If the employee is unable to schedule such time off and leaves County employment, the employee shall be paid for the time accrued at his/her regular pay.

Designated Mental Health personnel providing back-up pager duty for each weekly on-call rotation of beeper duty and any subsequent hours worked on call-out shall be reimbursed a flat rate of

\$250.00 per week of back-up pager rotation. Back-up pager duty falls outside all other types of pager duty agreements Polk County has established prior with AFSCME Local 173.

Section 10

Public Works On-call

Public Works employees shall accrue twelve (12) hours of compensatory time for each weekly on-call rotation duty and any hours worked on call-out. However, compensatory time shall accrue at the rate of one and one-half (1-1/2) hours for each hour actually worked on holidays.

All such hours worked and all hours accrued shall be documented and reported to the Finance office of the County.

Compensatory time accrued from on-call duty shall be combined with time accrued from regular overtime so that it becomes part of the 60 hour maximum that can be carried into each new fiscal year and calendar year. Compensatory shall be allowed to accrue above the maximum hours (60 hours) allowed in between those dates May 19 and November 19.

If the employee is unable to schedule such time off and leaves County employment, the employee shall be paid for the time accrued at their regular pay.

Section 11

Telecommuting and Remote Work

With advanced notice and approval from the Department Head or their designee, employees may be allowed to telecommute and work remotely. Requests to telecommute or work remotely may be approved provided granting the request would not impair the operations of the Office, the specific work the employee would be performing for telecommuting or remote work, and the request complies with County telecommuting policy.

All employees must be in paid status both the working day before and the working day after the holiday to be eligible to receive pay for the holiday. SICK LEAVE

Section 1

Sick Leave

Sick leave shall be earned by each full-time employee in the classified service at the rate of eight (8) hours per month for employees working a forty (40) hour workweek. Sick leave may be accumulated without limit.

Employees may utilize their allowances of sick leave when unable to perform their duties by reason of illness or injury, necessity for medical or dental care, exposure to contagious disease under circumstances which the health of the employees with whom associated or member of the public necessarily dealt with would be endangered by attendance of the employee, or by illness in their immediate families, for such period as the employee has sick leave credit. The employee has the duty to insure that he/she makes other arrangements, within a reasonable period of time, for the attendance of family members.

After three (3) working days of sick leave for care of a family member, the employee shall discuss the situation with the supervisor. After 10 working days and with the approval of the department head, the employee may continue to use sick leave.

For the purposes of determining family members, the following shall be used: Father, mother, brother/sister, spouse, qualifying same-sex domestic partner children/stepchildren, mother-in-law, father-in-law, grandparents, grandchildren and documented member of household. In all other cases, absences shall be charged to accrued vacation leave where circumstances warrant.

If in the opinion of the department head, circumstances appear to warrant, the department head may require verification of the attending physician or practitioner to substantiate that an illness or injury prevents the employee from working. The Employer may also require the employee to substantiate the need for any absence to attend an ill family member.

The Employer, at its expense, may require a physician's certification of fitness to work.

No compensation for accrued sick leave shall be allowed for any employee when he/she is in a non-paid status. Sick leave shall not accrue during any period of leave of absence without pay. When an employee is transferred to, or appointed to another County department, his/her sick leave credit shall continue.

Section 2

Sick Leave Without Pay

For employees who exhaust sick leave benefits for circumstances that fall outside Federal or State family medical leave eligibility, an employee may request up to ninety (90) calendar days of sick leave without pay. This leave request will not extend family medical leave entitlement periods. The Board of

Commissioners may grant such leave if it determines that the leave will not place any undue hardship on the organization. From time to time, the Employer may require that the employee submit a certificate from the attending physician or practitioner. The certificate shall establish that sufficient disability exists to justify the leave and that there is reasonable expectation that the employee will be able to return to work at the end of the leave. In the event of a failure or refusal to supply such certificate, or if the certificate does not clearly show sufficient disability to preclude the employee from the performance of duties, such leave shall be canceled and the employee's service terminated.

Section 3

Notification

Any employee who is ill and unable to report to work shall make reasonable effort to notify his/her immediate supervisor at least thirty (30) minutes prior to his/her reporting time unless other notification requirements are established by mutual agreement between the employee and the department head (see also Article IX, Section 1, "Abandons Position"). For employees who work swing shift or graveyard shift, notification shall be prior to 1:00 p.m.

Section 4

Sick Leave Accumulation During 4/10 Workweek

During those periods of time when the County has implemented the 4/10 workweek as provided by this contract, the accumulation rate of sick leave shall be eight (8) work hours per month for full-time employment. Employees shall make every effort to not schedule non-emergency medical or dental appointments during the 4/10 workweek.

Section 5

Sick Leave for Part-time Employees

Part-time trial service and regular employees working fifty percent (50%) or more of the equivalent full-time position shall accrue sick leave on a pro rata basis.

Section 6

Sickness During Paid Vacation

An employee who becomes ill during a period of approved vacation leave may not use sick leave in lieu of vacation. If the illness extends beyond the vacation period, only the time subsequent to the end of the vacation will be charged to sick leave.

Section 7

Sick Leave Administration

Charges against accumulated sick leave shall be made as actual time used, calculated in 15-minute increments.

◆ ARTICLE VII ◆

VACATIONS

Section 1

Accrual

Full-time trial service and regular employees having served in the County service for six (6) continuous calendar months shall be credited with 48 hours of vacation leave (see Section 6, Vacation Leave for Part-time Employees). Thereafter, employees shall accrue additional vacation time in accordance with the following schedule.

<u>Years of Service</u>	<u>Hours Accumulated Per Month</u>	<u>Maximum Accumulation</u>
A. Less than five (5) years of service	8.0	200.00
B. Five (5) years, but less than ten (10) years of service	10.0	200.00
C. Ten (10) years, but less than fifteen (15) years of service	12.0	250.00
D. Fifteen (15) years, but less than twenty (20) years of service	14.0	250.00
E. Twenty (20) or more years of service	16.0	250.00

Section 2

Scheduling Vacations

Vacation time shall be scheduled by the County. Whenever possible, employees shall have the right to determine vacation time, but in any case, vacation time shall be selected on the basis of seniority. Each employee will be permitted to exercise his/her right of seniority only once per two (2) calendar years. Under no circumstance shall an employee who has completed his/her initial six (6) months of service lose any accrued vacation time unless such employee fails to take such vacation leave as scheduled.

Section 3

Maximum Accrual

The maximum accumulation that a full-time employee will be allowed of earned vacation will be 200 hours for employees with less than ten (10) years of service and 250 hours for employees with ten (10) years or more of service. Employees will forfeit any hour in excess of their maximum accumulation on December 31st of each year or upon termination from County employment with two exceptions:

- 1) If there are extraordinary circumstances outside an employee's control, in which case, with the prior approval of the Board of Commissioners, employees may be paid for the excess hours and/or receive up to a three month extension of the deadline ;
- 2) If the County is unable to schedule vacation due to the departmental work schedule, the employee may receive payment for vacation time that he or she otherwise would lose because of the accrual limitation and/or receive up to a three month extension of the deadline. "Termination from County employment" does not include termination caused by the death of the employee.

Section 4

Vacation Buyout

Each fiscal year, employees with vacation leave balances of 100 hours or more may elect during the January, May and/or October payroll periods to cash out up to 40 hours of accrued vacation. Employees who wish to cash out (up to 40 hours) their vacation time shall note the amount of vacation time on their January, May or October timesheet. At no time shall the buyout cause the employee to drop below 60 hours of accrued vacation.

Section 5

Break in Service

Time spent by an employee on military leave, Peace Corps duty, sick leave resulting from an injury or illness incurred in the course of employment including Family Medical Leave, and/or any other paid leave shall be included as time worked for the purpose of determining length of service.

Time spent on other types of authorized leave will not be counted in determining length of service, provided that employees returning from such leave and employees on layoff status shall be entitled to credit for the length of service prior to the leave or layoff.

Section 6

Termination or Death

After six (6) months of service, upon the termination, for any reason, of an employee, or the death of an employee, all accumulated vacation shall be paid either to the employee or his/her heirs, whichever the case may be.

◆ ARTICLE VIII ◆

OTHER LEAVE

Section 1

Other Leaves of Absence With Pay

Employees shall be granted leave with pay for service on a jury or when under court subpoena as a disinterested witness, provided the employee shall seek all fees due them for jury or witness duty, except mileage reimbursement, and the employee turns said fees over to the County. Upon being excused from jury or witness duty for any day an employee shall immediately contact their supervisor for assignment for the remainder of that workday.

Time off from work for appearances in court and other proceedings other than as provided above, shall be charged to accrued vacation, compensatory time or leave without pay.

Section 2

Other Leaves of Absence Without Pay

In instances where the work will not be seriously handicapped by the temporary absence of an employee, the appointing power may grant a leave of absence without pay not to exceed ninety (90) calendar days. - A. Total length of unbroken service within the County, excluding time in temporary positions.
- B. If two (2) or more employees were hired the same day, the most senior employee shall be determined by drawing their name out of a hat at the time of hire.

For the purpose of computing seniority, all authorized leave with pay shall be considered as time worked. Employees who are laid off as a result of a reduction in positions, and who are subsequently reinstated, shall retain their full seniority except for such period of layoff.

An employee's seniority will terminate if he/she resigns, retires, is discharged, abandons his/her position, does not accept an offer of recall from layoff, except as provided for in the Recall section of this article; or is not recalled from a layoff list within one (1) year.

"Abandons Position": If the employee is absent for 12 consecutive working hours without having contacted his/her supervisor, the employee shall be considered to have resigned his/her position with the County unless conditions or situations beyond the employee's control prevented contacting the supervisor.

"Does Not Accept an Offer of Recall from Layoff": If the employee fails to:

- a. Maintain on file with the County a current address and phone number where he/she can be reached during the period of the layoff;
- b. Provide written acceptance of a position that is offered to him/her within 72 hours of receipt of such offer; or
- c. Report for work within 15 days of the date of receipt of the recall notification.

The County shall give written notice of a pending layoff to any trial service and regular status employee at least fifteen (15) calendar days before the effective date stating the reason for the layoff.

Section 3

Employees recalled to positions other than their original job shall be placed at the same pay step they held before layoff, whether the salary range is equal to or lower than their former range, and be subject to a four week trial period. If they fail the trial period, they shall be returned to the layoff list until the original one-year layoff period expires. In no case, shall recalled employees go through a trial period for the job they occupied before layoff, nor will they be taken off of the recall list for permanent jobs as a result of accepting work in a temporary position.

Employees who have been on a layoff for more than one (1) year, or accept any recall from layoff at the same salary as the original job or resign after being recalled shall not be subject to recall. Employees who accept a position with lower pay than the job from which they were laid off, or who bump into a lower paying position, shall have one more recall opportunity within one year of the original layoff to be recalled to a position in a higher class, but not to a class with a higher salary than the one from which they were laid off.

An employee laid off from a full-time position may decline recall to a part-time position and continue to be subject to recall. An employee laid off from a part-time position may decline recall to a position requiring more hours of work than before layoff and continue to be subject to recall. Otherwise, any employee who declines a recall from layoff shall not be subject to recall.

In the event that the substantial amounts of the duties of a laid-off employee are subsequently assigned to a newly created position, the laid-off employee shall be recalled to that position, if they meet minimum requirements of said position, regardless of the department or division the new position is assigned.

Section 4

Bumping

When an employee is laid off due to reduction in the work force, the employee shall be permitted to exercise his/her seniority rights to bump - replace an employee with less seniority. Such employee may, if the employee so desires, bump the least senior employee in the same department, in an equal or lower job classification provided the bumping employee has greater bargaining unit seniority than the employee whom he/she bumps, and further, provided the bumping employee is qualified to do the work.
