A copy of all documents and evidence relied upon in making this decision, and the applicable criteria are available for inspection at no cost and will be provided at the Community Development Department for the cost of copying. Failure of an issue to be raised in person or by letter, or failure to provide sufficient specificity to afford the decision maker an opportunity to respond to the issue, precludes an appeal to the Land Use Board of Appeals (LUBA) based on that issue.

A copy of the staff report will be available for inspection at no cost at least seven days prior to the hearing. Copies can be obtained at a reasonable cost. Testimony may be submitted in writing to the Community Development Department prior to the public hearing. Written comments received by November 27, 2019 at 5:00 PM will be included in the memorandum for the Board of Commissioners.

The public hearings will be conducted in a manner that allows written or oral testimony in favor, opposition, and general testimony. Testimony must address the applicable criteria. The Hearings Officer reviews non-legislative amendments and provides a recommendation to the Board of Commissioners for a final decision.
