Polk County Service Integration Newsletter

by Abby Warren

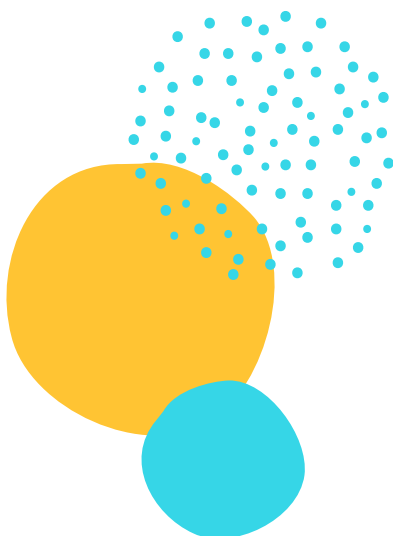

Welcome to the Polk County Service Integration (SI) Newsletter. We are so glad you are here and interested in learning more about who we are and what we are all about. Every month, Polk County SI community partners come together to create an informational hub full of community resources, services, and events.

Polk County SI teams are continually working to reduce the duplication of services while promoting self-reliant, healthy, and successful families and individuals. This newsletter is just one of the ways partners throughout the county share and connect.

If you would like to attend a future SI meeting, you can sign up for meeting reminders [HERE](#).
